

End-of-Year Summary Report 2015-2016

Executive Summary

The 2015-2016 academic year began with a new Victoria College President, Dr. David Hinds, at the helm and all on deck.

That's why Victoria College and the Victoria Independent School District have come together with a solution for VISD students. On March 3 at Victoria West High School, VC President David Hinds and VISD Superintendent Robert Jaklich announced that beginning in Fall 2016, up to 200 eligible VISD students can dual enroll in one VC class per semester for just \$50.

This is thanks to a partnership between the VISD Education Foundation and the VC Foundation. With in-county tuition for a three-credit-hour class at \$264, support from the two foundations will cover \$214 in tuition for each participating student.

The Texas Economic Development Council (TEDC) recognized Victoria College's Emerging Technology Complex with its Workforce Excellence Award at the recent TEDC Mid-Year Conference in Irving.

Victoria College was one of 27 colleges and universities selected to receive Texas Workforce Commission grants through the Governor's Summer Merit Program for summer youth camps that focus on science, technology, engineering and mathematics (STEM).

The grants provide the opportunity for 2,007 students statewide from ages 14 to 21 to attend camps that will help prepare them for high-skill and high-demand jobs.

VC received \$51,888 that will go to 25 scholarships for its Texas Pre-freshman Engineering Program (TexPREP), which offers middle school students the opportunity to learn about STEM careers while earning high school elective credits

LEADING THE WAY

Board of Trustees

Daniel A. Cano
Member, District 5
Occupation: Physician
Member since 2016
Term expires in 2016

Mrs. Michelle A. Yates
Member, District 1
Occupation: Education
Member since 2015
Term expires in 2018

Mr. Luis A. Guerra
Vice Chairman, District 2
Occupation: Engineer
Member since 2008
Term expires in 2018

Mr. John E. Zacek
Member, District 4
Occupation: Banking Executive
Member since 2016
Term expires in 2022

Mrs. Catherine McHaney
Member, District 6
Occupation: Newspaper
Co-owner
Member since 1985
Term expires in 2022

President

Mr. V. Bland Proctor
Secretary, District 3
Occupation: Attorney
Member since 2011
Term expires in 2020

Dr. David Hinds
President

Mr. Ronald B. Walker
Chairman, District 7
Occupation: Attorney
Member since 1985
Term expires in 2020

Administrative Council

Ms. Marjorie Price-Seeger.....Vice President of Instruction
Dr. Florinda Correa.....Vice President of Student Services
Mr. Keith Blundell.....Vice President of Administrative Services
Ms. Jennifer Yancey.....Vice President of College Advancement & External Affairs

Our Vision

Our Community, Our College:

Improving Lives, Strengthening Communities

- Empowering each student to achieve excellence in an environment that cultivates personal relationships among students, faculty and staff.
- Being the catalyst for educational attainment, economic growth and cultural enrichment in partnership with business, industry, community groups and all levels of education.

Victoria College Values

Victoria College's commitment to its mission is guided by the following values:

We value integrity. Victoria College will foster an environment of respect, honesty, openness, and fairness, and will promote responsible stewardship of resources and public trust.

We value respect for the unique characteristics and abilities of individuals. Victoria College will welcome and promote diversity among students, faculty, staff, and our community, while cultivating a respectful, collegial, and accessible working and learning environment.

We value student achievement and student success. Victoria College will create learning opportunities that challenge our students and help them meet their educational goals.

We value excellence. Victoria College will strive to achieve the highest standards of performance in teaching and in the services we offer students, colleagues, and our communities.

Our Mission

Victoria College is a public, open-admission college. Our mission is to provide educational opportunities and services for our students and the communities we serve. Victoria College provides:

Associate Degrees and Certificates

Programs leading to the Associate of Arts, Associate of Science, Associate of Applied Science, and Certificates that meet the needs of the students and communities within our service area.

Academic Foundations

Compensatory education courses consistent with open-admission policies designed to prepare students effectively for success in college-level studies.

Student Support

Services and activities that support student success, including academic guidance and counseling services.

University Transfer

Academic courses that apply to baccalaureate degrees and meet the educational needs of students planning to transfer to a university.

Continuing Education

Noncredit courses and programs that meet the immediate technical and occupational skills needs of employers and the individual, and fulfill the personal enrichment and cultural needs of the individual and the community.

Cultural and Intellectual Outreach

Educational activities and events that enhance our community's quality of life.

Career & Technical Education

Credit courses and programs designed to satisfy local and regional employer demands and meet individuals' workforce training needs.

Adult Education

Adult education, basic skills, and English as a second language instructional programs that meet the specific educational needs of our adult constituency.

Continuing Education Enrollment Trends

Victoria College teams up with Victoria Electric Cooperative to offer a power line worker course to meet a growing demand in the field.

The Alcoa Foundation recently donated \$25,000 to the Victoria College Foundation to help expand VC's Millwright Program in Port Lavaca to include Millwright Level 3 and Level 4 classes in addition to the Level 1 and Level 2 classes currently offered.

How are Points/Funding Calculated?

Since the points are based on milestones achieved, multiple points can be awarded for an individual student. Points are awarded for students who enroll in current year and:

- Became College ready (met TSI standards in math, reading, or writing); 1 point math, .5 point reading, .5 point writing
- Successfully completed the first college level math course; 1 point
- Successfully completed the first college level reading/writing course; .5 point reading, .5 point writing, 1 point reading/writing intensive
- Successfully completed their first 15 semester credit hours (SCH); 1 point
- Successfully completed their first 30 SCH; 1 point
- Earned a degree or certificate (not in a critical field); 2 points
- Earned a degree or certificate in a critical field; 2.25 points
- Transferred to a senior institution after having successfully completed 15 SCH; 2 points
