

VICTORIA COLLEGE

2018 VC PREP

VC PREP is a 7-week academic enrichment program for students beginning in the 6th or 7th grade. Students will make friends, master high-level science, technology, engineering, and mathematic (STEM) concepts, tour labs, interact with industry professionals, and explore the VC campus.

June 7-July 24
Monday-Thursday
8:30 a.m.-4:30 p.m.

Parent Orientation
May 23 • 5:30 p.m.

www.VictoriaCollege.edu/VCPrep

All graduates have the opportunity to receive a high school credit for each summer toward their high school STEM endorsement.

Apply Now!

- Complete the PREP application at www.VictoriaCollege.edu/VCPrep; submit the printed and signed confirmation page
- Submit 2 reference forms - one must be from student's math teacher and the other from the English teacher, science teacher, or counselor
- Include a copy of student's most recent report card
- Type a 100-200 word statement on why the student would like to attend VC PREP

Details

- *Eligibility:* Completed 6th grade before program begins
- *Application Opens:* February 1, 2018
- *Deadline to Apply:* April 25, 2018
- *Tutoring:* Available before and after program

VC PREP 2, 3, & 4

If the student graduated the previous year, they will receive a letter inviting them back.
