Web Registration

A student may register using web registration if the following requirements are met:

1. Scores are on file on all parts of an assessment test or students are exempt.
2. There are no holds on record (admissions, library, parking, etc.).
3. The student is not on enforced withdrawal.

A username and password can be retrieved through the Pirate Portal once the application process has been completed. For assistance with login and password retrieval, contact the Help Desk at (361) 582-2509. This login information will be used as a security measure each time a transaction takes place and should be known only by the student.

Payment of Tuition and Fees

For all advisor-assisted registration, a fee statement will be generated by the advisor for the student to take to the Payment Center for payment. Payment can also be made online. Grants, loans, and scholarships will be posted directly into the student's account to offset tuition and fees. If the aid posted is not enough to cover tuition and fees, it is the student's responsibility to pay the remaining balance before the term begins.

Pirate Orientation

Orientation is designed to acquaint new students with the Victoria College campus and the various resources that can enhance both personal development and academic success.

All incoming students with no prior college credit are required to participate in a Pirate Orientation to be eligible to register for courses. Failure to do so will result in a hold on students' account.

For Pirate Orientation dates and times, visit www.VictoriaCollege.edu/PirateOrientation.

In order to participate in a Pirate Orientation, students must:

1. Complete a Victoria College Application for Admission,
2. Submit assessment scores (unless exempt), and
3. Submit an official high school transcript.

Once students have completed these admission requirements, registration can be completed in the Victoria College Advising & Counseling Services Office or through web registration (if eligible).

For additional information, call (361) 582-2400.

Scholastic Probation, Enforced Withdrawal and Satisfactory Academic Progress

Academic Scholastic Probation

Students at Victoria College are expected to make and maintain a cumulative grade point average of 2.0. The grade point average will be determined by considering all courses taken except those courses in which grades of Q, W, S, SA, SB, SC, U, or UF were received.

Students on scholastic probation may remove their probationary status by increasing their GPA to a 2.0 or above within the following semester.

Students placed on scholastic probation will be required to enroll in SDEV 0301 or EDUC 1300 if the course has not been completed in a previous semester.

Transfer Students

Students transferring from another college/ university to Victoria College will be admitted without regard to probation status from their former college or university.

Academic Enforced Withdrawal

Students who are on scholastic probation and fail to increase their GPA to a 2.0 or above the following semester will be placed on enforced withdrawal.

Students placed on enforced withdrawal:

- Will not be permitted to return to Victoria College until one semester (fall or spring or both summer sessions) has elapsed.
- Have the right to appeal for readmission through the Director of Advising & Counseling Services.

Enforced Withdrawal Appeal Process

Step 1:	The student must submit the completed appeal form to the Advising & Counseling Services Office no later than five working days (M-F) prior to the first day of class. The appeal form can be found in the Pirate Portal > Student Resources tab > Advising & Counseling Services link
Step 2:	If the Director of Advising & Counseling Services or his/her designee decides that the appeal will not be granted, the student will be notified in writing of the denial. The student has no further right of appeal.
Step 3:	If the Director of Advising & Counseling Services or his/her designee decides to consider the appeal, the student will be contacted by phone to set up a personal interview.
Step 4:	At the time of the personal interview, topics of discussion will include further explanation of the appeal and the conditions to which the student agrees (student is allowed to repeat a maximum of two courses in which grades of D or F were earned), provided the student is readmitted. If the student is readmitted, he/she will be required to enroll in EDUC 1300 if the course has not been completed in a previous semester.
Step 5:	Students who are granted readmission will sign an Agreement of Understanding for Enforced Withdrawal.

Satisfactory Academic Progress (SAP) Policy

Federal regulations mandate a student receiving financial assistance under Title IV programs must maintain satisfactory academic progress in his/her course of study regardless of whether or not financial aid is awarded each semester. Title IV funds include Pell Grant, SEOG, Direct Loans, and Federal Work Study.

Financial Aid SAP standards are not the same as the Victoria College Academic Standards.

Although students may be granted an Academic Fresh Start, the Financial Aid Office is required to include all prior credits completed or attempted, including prior grade point averages (GPA) when determining eligibility for financial aid. Student financial aid, as defined in this policy, specifically applies to all federal, state, and certain institutional aid programs. Federal guidelines stipulate that this policy applies to ALL enrollment periods, regardless of whether students have received financial aid.

NECESSARY REQUIREMENTS FOR SATISFACTORY ACADEMIC PROGRESS

Qualitative Standards - Students will be expected to maintain the minimum academic standards as outlined in the Academic Regulations in the *Victoria College Catalog* and established by the Admissions & Records Office. Students must maintain a cumulative GPA of at least 2.0. This will not include any Academic Foundation classes.

Quantitative Standard – Students must complete 67% of their cumulative attempted hours. This number will not be rounded up or down. The quantitative standard is used to measure a student's pace in a program. A student may be on pace for the semester but not be on pace when calculating the cumulative hours. Pace is measured by dividing the cumulative number of hours the student has successfully completed by the cumulative number of hours the student has attempted. Keep in

mind attempted means all the hours a student registered for, even those in which he/she may have received any of the following grades: W, F, FX, S, SA, SB, SC, T, U, UD, UF, I and Q. Completed means those hours a student has registered for and received a grade sufficient for graduation. Foundational coursework is included in this calculation as well as transfer credits accepted by Victoria College.

Maximum Time Frame - Victoria College is a two year public community college with certificate and associate degree programs. Students must complete their program of study within 150% of the length of the program. Maximum time frame is measured by dividing the number of credit hours the student has attempted by the number of credit hours required to complete the student's program of study. If the student will exceed 150% by the end of the program, the student will be placed on Financial Aid suspension. The time frame requirement applies to certificate programs, as well as associate degree and applied science degrees. Transfer course work accepted by Victoria College and courses with a grade of F, FX, W, S, SA, SB, SC, T, U, UD, UF, I and Q will be included in the calculation.

Some examples of maximum time frame are:

Program Requirement Hours	Maximum Time Frame Percentage	Attempted Hours Permitted
60	150%	90
45	150%	67
32	150%	48

FAILURE TO MEET MINIMUM REQUIREMENTS

Financial Aid Warning is a status assigned to a student who fails to make Satisfactory Academic Progress at the end of a payment period and will be allowed to continue to

receive aid for one payment period. There is no warning period for maximum time frame.

Financial Aid Probation is a status assigned to a student who fails to make Satisfactory Academic Progress for a subsequent payment period and who has appealed and has had eligibility for aid reinstated. A student on Financial Aid Probation may receive Title IV funds for one payment period. At that point, the student must meet the school's SAP standards or the requirements of the established individual academic plan to maintain Title IV eligibility.

Financial Aid Suspension is a status assigned to a student who has not met the requirements for Satisfactory Academic Progress and has not been granted an appeal, or a student who was on Financial Aid Probation and failed to meet Satisfactory Academic Progress or the requirements of the established academic plan and will not be eligible to receive Title IV funds.

APPEAL PROCESS

Students who have not made satisfactory academic progress after being placed on warning status may file an appeal to the Satisfactory Academic Progress Appeals Committee (SAPAC).

A student can appeal if:

- There is a death of a relative
- An injury or illness occurred
- Other special circumstances

How to appeal:

- Complete a SAP appeal application (available in the Financial Aid Office or at www.VictoriaCollege.edu)
- Appeal is due to the Financial Aid Office the Friday prior to the committee's meeting. The Appeals Committee meets once a month. Contact Financial Aid for specific meeting dates.
- Student will need to meet with an Academic Advisor to determine an Academic Plan for future semesters and must take courses that are part of the declared degree program.

If your appeal is approved:

- You will be placed on Financial Aid Probation/PLAN.

- You must meet the Satisfactory Academic Progress minimum requirements as outlined above.
- You must meet the minimum requirements EVERY semester.
- You will be evaluated at the end of each semester to determine that you continue to be eligible for Title IV funds.

If your appeal is denied:

- A student has the right to appeal to the Interim Dean of Student Services. The appeal packet for the Interim Dean of Student Services is available in the Financial Aid Office or at www.VictoriaCollege.edu/FinancialAidForms. The packet is also available in the office of the Interim Dean of Student Services.
- The decision made by the Interim Dean of Student Services is final, and no other appeal exists.

If you fail to meet minimum standards while on Financial Aid Probation/PLAN

- You are not eligible to appeal any further for GPA/PACE suspension.
- You will not receive any Financial Aid funds.
- If you are on suspension for GPA/PACE, then you must get back into Good Standing on your own.
- If you are on suspension for maximum time frame, you must meet cumulative GPA/PACE requirements for a subsequent payment period before you may be eligible to appeal.

ADDITIONAL INFORMATION

- Financial Aid recipients who withdraw from classes or stop attending classes before completing at least 60% of the semester may have to pay back a portion of their grant and/or loan money. The 60% completion rate will be determined by the attendance as submitted by the instructors. This is known as a Return to Title IV calculation (R2T4). This includes all grades of W, Q, U, UD, UF, F and FX. The amount of financial aid earned up to the last attendance date is determined by a specific federal formula.
- A maximum of 30 developmental hours may be taken and paid for with Title IV funds.

Students may not receive federal aid for courses that were previously taken and passed beyond the first retake. Repeat courses still count toward your attempted hours for Financial Aid purposes. Other restrictions may apply in regard to repeat courses. Check with the Financial Aid Office for clarification.

- A student on Warning or Probation will not be eligible for any TPEG funds for Continuing Education (CE) courses.
- A student on Suspension will not be eligible to receive TPEG funds for Continuing Education (CE) courses.
- Pell Lifetime Limits – the Department of Education limits the student's eligibility for Pell Grant to 600% or 12 full-time awards.
- Loan Aggregate Limits – the Department of Education limits loan awards based on student status: dependent/independent, undergraduate/graduate.
- A student must be in Good Standing or on Academic Plan to receive institutional scholarships or childcare assistance.

Campus Law Enforcement Publications Clery Act Report

– Federal law requires all colleges and universities to disclose information regarding crime on and around their respective campuses. Victoria College, in accordance with the Clery Act, compiles and publishes an annual security report. Statistics for the report are obtained from the Victoria College Police & Campus Safety Department, the Victoria Police Department, Hallettsville Police Department, Cuero Police Department, Gonzales Police Department, and the Port Lavaca Police Department. A copy of the report can be viewed at www.VictoriaCollege.edu/CampusPoliceSecurity or a copy can be obtained in the Police & Campus Safety Office, Academic Building, Suite 210, during normal business hours.

Campus Sex Crimes Prevention Act (CSCPA)

CSCPA is a federal law that requires colleges and universities to issue a statement providing the campus community with information regarding registered sex offenders. Law enforcement agencies are required to inform colleges and universities when registered sex offenders indicate they plan to attend classes, live, work or volunteer their services on a college or university campus. The law also requires that registered sex offenders personally

contact and notify Police & Campus Safety authorities of their impending presence. Victoria College prepares and retains an Institute of Higher Education Sex Offender Notification for all registered sex offenders that notifies the Police & Campus Safety Department of their intent to attend classes.

Public Crime Log – Victoria College maintains a Public Crime Log which contains a record of all criminal incidents reported to Police & Campus Safety. The log may also contain references to reports of other non-criminal safety or risk-related incidents. Incidents are required to be added to the log within two business days of occurrence, but certain information may be withheld to protect victim privacy or to ensure the integrity of ongoing investigations. The Victoria College Crime Log is available for review in the Police & Campus Safety Office during normal business hours.

Timely Warning Notice and Access to Information

Victoria College must provide timely warnings to the campus community regarding crimes that pose an ongoing threat to students and employees. Sexual Harassment & Discrimination

Freedom from Discrimination and Harassment

All students have the right to a learning environment free from discrimination and harassment based on sex, race, color, national origin, age, religion, disabling condition, veterans status, or limited English proficiency.

Sexual Harassment

Sexual harassment is a type of sexual discrimination prohibited by Title VII of the Civil Rights Act of 1964 and Title IX of the Education Amendments of 1972 and is, therefore, prohibited at Victoria College.

By definition, sexual harassment involves the unwelcome introduction of sexual activities or comments into the workplace or classroom. Unwelcome sexual advances and other verbal or physical conduct of a sexual nature constitute sexual harassment when:

- Submission to the conduct becomes a term or condition of employment or academic achievement.
- Submission to, or rejection of, the conduct is used as a basis for employment or academic decisions regarding the individual, or the conduct unreasonably interferes with the individual's work performance or creates an intimidating, hostile or offensive working or academic environment. Victims of sexual harassment can include students and employees of both sexes.

Harassment

Harassment is defined as extreme or outrageous acts or communications that are intended to harass, intimidate or humiliate students or employees on account of sex, age, religion, disabling condition, veteran's status, race, color, or national origin and that cause them to suffer severe emotional distress or impede the learning process. Harassment is expressly prohibited and any student or employee who engages in such conduct is subject to disciplinary action.

Sexual Violence

Students are also protected by federal law from sexual violence, which is another form of gender-based discrimination. Sexual violence includes sexual assault, domestic violence, dating violence, and stalking. If a student has experienced sexual violence either on or off campus, a complaint procedure and information regarding assistance can be found in the Victoria College Policy Prohibiting Sexual Violence. The policy can be accessed at www.VictoriaCollege.edu/StudentServices.

Disposition for Cases of Complaints of Discrimination and Harassment

Complaint Procedure

Students who feel they have been discriminated against based on one or more of the above-cited factors are entitled to file a complaint as outlined in the following procedure:

- Contact Terri Kurtz, Affirmative Action Officer, in the Academic Building, Suite 104.
- Each complaint will be investigated as promptly and thoroughly as possible.
- If the investigation indicates that discrimination has occurred, prompt and appropriate action will be taken to end the discrimination.
- In the case of allegations of discrimination involving disabling conditions, the coordinator for college compliance with the Americans with Disabilities Act will participate in all proceedings.

Complaints by Students Against Students

- If the complaint is found to have merit, the Affirmative Action Officer will have the authority to recommend or impose sanctions
- If the complaint is found not to have merit, the Affirmative Action Officer may dismiss the case
- Either party may appeal the findings of the Affirmative Action Officer to the Discipline Committee. The Appeal Form is available at: www.VictoriaCollege.edu/StudentServices

Complaints by Students Against Staff or Faculty Members

- If the complaint is found to have merit, appropriate disciplinary action will be recommended by College authorities
- The accused may appeal this finding by following the procedures outlined in the Complaint Procedure, Section 1.2.4 of the *Employee Handbook*. The Complaint Procedure can be accessed at www.VictoriaCollege.edu/StudentServices

Upon completion of the investigation, the Affirmative Action Office will notify the student of the outcome of the investigation.

Freedom from Retaliation or Reprisal

Any student has the right to make a good faith complaint of discrimination or harassment without fear of retaliation or reprisal. Any student who feels that he or she has been subjected to any form of retaliation or reprisal because of his or her complaint is entitled to file a complaint with the Affirmative Action officer as outlined above.

In cases of alleged discrimination or harassment, a student whose complaint has been found not to have merit may appeal, in writing, directly to the President of the College who shall uphold or reject the appeal and notify the student within 10 days. A student whose appeal is denied by the President may appeal in writing to the Board of Trustees in sufficient time for the matter to be included on the agenda of the next regular Board meeting following the President's decision. The decision of the Board shall be final.

The complete admission regulation can be found in the *Victoria College Catalog* at www.VictoriaCollege.edu/Catalog

- **Use of Facilities and Services**

Victoria College may delineate the purpose for which students may use certain facilities and shall make them available on a fair and equitable basis. However, the College may restrict its facilities and services when their use would interfere with normal College operations.

Right of Privacy

- **Person and Property**

A student shall be free from searches and seizures of possessions while on College property unless said search and seizure is conducted in accordance with state and federal laws. In cases of imminent danger or when there are reasonable grounds upon which to believe it is necessary to conduct a search immediately in order to protect life or property, searches may be conducted in the presence of the Interim Dean of Student Services or another member of the Vice President's staff acting as the Vice President's authorized representative.

- **Disciplinary Records**

Disciplinary records and information maintained by the Interim Dean of Student Services are treated in a confidential manner. Students have the right to view their disciplinary records; such records and the information contained therein will not be released except with the written authorization of the student. However, the Interim Dean of Student Services may disclose the student's disciplinary record without the student's consent if legal compulsion or the safety of people or property is involved, or if the information is required by authorized College personnel for official use. In these circumstances, only the information pertinent to the inquiry may be revealed. The Interim Dean of Student Services may also act without the student's consent to have a statement of suspension or dismissal entered on the student's academic record for the time that this disciplinary sanction would prohibit the student from registering. Written notice of this statement shall be sent to the student.

- **Assessment Records**

A student's test data and record shall be kept confidential, except for use by College personnel, unless the student consents in writing to have it revealed to a designated person or institution. Without such release, no information will be revealed except to College personnel, or to comply with legal requests, except when there is a clear and imminent danger to an individual or to society, and such information will be limited to that which is directly pertinent to the reduction of that danger. Test data will be reported, in the aggregate, for the purpose of institutional research, planning, and evaluation and for required federal and state reports.

Student records are accessible to counselors, administrative staff, and faculty for the purpose of academic advising. It is the practice of the Registrar to release students' telephone numbers upon request, unless specifically instructed not to do so. The numbers are released to accommodate frequent requests by faculty and students; telephone numbers are rarely requested from off-campus individuals.

The College will release the following items of directory information (as defined by the Family Education Rights and Privacy Act) without the written consent of the student:

- Name

Student demographic data and information about education, training, and employment will be organized by Social Security number. The College will routinely compile reports based on student data for use in program planning and evaluation, and will furnish required reports to the federal and state governments, all of which will be based on aggregate data. No student will be identified in any report by individual Social Security number. Students have a right to request, in writing, that the information they are required to provide to Victoria College be withheld from the statistical analysis described above. To request exemption from statistical analysis, complete the Withholding of Directory Information form available in the Admissions and Records Office or at www.VictoriaCollege.edu/AdmissionsRecords.

Students who do not want certain directory information released may instruct the Registrar to flag their records accordingly by completing and submitting to the Admissions and Records Office a Withholding of Directory Information form.

- **Subpoenaed Information**

If presented with a subpoena to produce information about specific students and/or campus organizations, the recipient shall immediately notify the Interim Dean of Student Services and forward to that office a copy of the subpoena. The Interim Dean of Student Services shall immediately notify the student(s) or student organization(s) involved, or make a concerted effort to do so, and forward to them a copy of the subpoena by certified mail to their last known address.

- **Nonacademic Information**

Information about a student's or student organization's political or social views or beliefs which faculty, staff, or administrators acquire in the course of their work is to be kept confidential. Students may waive the protection of this right by granting express permission to the relevant faculty, staff, or administrator.

The College affirms the right of all students to attend meetings of registered student organizations. Exceptions to the foregoing right include:

- Deliberations of election boards and selection committees.
- Discussions of hearings which might lead to the appointment, discipline or dismissal of an individual employee, member or student without restricting that employee, member, or student's right to a public hearing if requested.

Meeting shall be defined as any gathering of a quorum of the members, regardless of where the meeting is held, whether a regular or special meeting, including any informational or casual gathering held in anticipation of or in conjunction with a regular or special meeting.

Right of Peaceful Assembly

Victoria College honors the right of free discussion and expression, peaceful picketing and demonstrations, and the right to petition and assemble peacefully as long as it is not in violation of the Freedom of Speech and Assembly regulation.

Student Rights & Responsibilities Regarding Academic Relationships

Student Rights

1. Information About Course Content

Students have the right to be informed in reasonable detail, in writing, at the first or second class meeting with the assigned instructor about the general nature of the course and to expect the course to correspond generally to the official description.

2. Information About Course Grading Criteria

Students have the right to be informed, in writing, at the first or second class meeting with the assigned instructor about the criteria to be used in evaluating student performance and to expect the criteria to be followed.

If factors, such as absences or late work, will be considered in determining grades, students should be so informed in writing at the first or second class meeting.

3. Contrary Opinion

Students have the right to express dissenting views with the information or views presented in the classroom without being penalized.

4. Academic Evaluation

Students have the right to receive grades based upon a fair and just evaluation of performance as measured by the standards announced by the instructor at the first or second class meeting. Grades determined by anything other than the instructor's good-faith judgment based on such standards are improper. Student Role and Responsibility in Institutional Decision-Making

Statement of Student Role and Responsibility in Institutional Decision-Making

The Student Government is the official liaison between the student body and the College administration and serves as the mechanism for student input into institutional decision making. The Student Government is comprised of representatives elected from official campus organizations.

It is the responsibility of the Student Government to represent the entire student body, to give thoughtful consideration to student concerns, to present recommendations to the Administrative Council for consideration and to communicate decisions affecting students to the entire student body. Recommendations may be presented for Administrative Council consideration at the request of a simple majority of the Student Government. Recommendations shall be in written form and shall be presented to the Administrative Council through the Interim Dean of Student Services.

The Administrative Council shall consider all recommendations and inform the Student Government of the decision(s). The Administrative Council may confer with members of the Student Government prior to making a decision. The Administrative Council may, from time to time, request that the Student Government consider various matters deemed by the Council to require review by the student body.

College Regulations Affecting Students

Attendance

Attendance will be taken for every class meeting. The method by which attendance is taken will be determined by the faculty member and clearly outlined in the class syllabus. Regular and prompt class attendance is expected of every student. A student's absence means that the student is not able to participate in the class.

Faculty members are not obligated to provide opportunities for students to make up missed assignments and tests as a result of a student's absence from class. If a student stops attending class, it is the student's responsibility to withdraw from the class. If the student does not attend class and does not withdraw from the class, the student will receive a grade of F or UF in the class. Labs are counted as a class meeting.

Instructor-Initiated Withdrawals (Drops)

While it is the final responsibility of the student to drop a class that he/she is no longer attending,

Instructors:

must drop a student who has not logged into an online class or physically attended a face-to-face or hybrid class prior to the Official Reporting Date (ORD). Instructors must initiate ORD drops by the published deadlines.

cannot drop a student with an average of D/SC or better.

After following established division retention practices, **may** at their discretion drop a student who is not passing without consultation with the student when absences exceed 20% of the scheduled class meetings. For classes that include a separate laboratory, a student may be dropped when absences exceed 20% of the laboratory meetings or 20% of the lecture meetings.

must drop a student who is not passing when absences exceed 40% of the scheduled class meetings unless said excessive absences accrue after the 65% drop date.

cannot drop a student after 65% of class instruction has been completed.

Absences for Military Service

- Pursuant to Section 51.9111 of the Texas Education Code, students who are called to active military service and are unable to attend classes or other required activities (i.e. examinations) because of such active service, will be excused for the absences or failure to engage in the required activities. However, the maximum period for which a student may be excused shall be no more than 25% (twenty-five percent) of the total number of class meetings or the contact-hour equivalent (not including the final examination period) for the specific course or courses in which the student is currently enrolled at the beginning of the period of active military service.
- A student will not be excused from classes or required activities under this regulation unless the student notifies Victoria College and his/her instructor(s) of the active duty and provides a copy of the orders. The coursework completed by a student prior to being called to active duty will be retained.
- Upon return from active military service, students excused from absences and activities under this regulation will be given a copy of the course syllabus or other instructional plan and shall be provided a reasonable time to complete an assignment or take an examination. The time to complete an assignment or take an examination will be determined by the student's instructor. However, the period of time provided should be at least a period twice the duration of their leave (i.e. on leave of one week, student will be given two weeks to complete the assignment). A student who is excused will not be penalized for the absence as long as the required coursework is completed in the reasonable time determined by the instructor. Students who feel that this regulation has been violated should immediately

contact the division dean for the course or courses in which they are enrolled. Alleged violations will be resolved in accordance with the Victoria College Code of Student Conduct.

Excused Absences for Religious Holy Days

For observance of a religious holy day, students may take an examination or complete an assignment scheduled for that day within a reasonable time if:

The student notifies the instructor of each class scheduled on the date that the student would be absent for a religious holy day no later than the 15th day after the first day of the semester. (In accordance with Texas Education Code 5.1.911).

The notice must be in writing and must be delivered by the student either:

- a. personally to the instructor of each class, with receipt of the notification acknowledged and dated by the instructor or
- b. by certified mail, return receipt requested, addressed to the instructor of each class.

Children on Campus

Unsupervised children are not permitted on the Victoria College campus. Parents may not bring their children to class, tutoring, the Testing Center and/or study areas. Children may not be left unattended while parents are in class. Children are welcome to accompany their parents to campus while the parents conduct College business, such as admission or financial aid related matters. However, parents are always responsible to ensure that their children are supervised.

Communicable Diseases, Including AIDS

Victoria College acknowledges the serious threat to our community and nation posed by the AIDS epidemic. This guideline is provided to educate students concerning AIDS, and to assure that each case of AIDS is managed individually with sensitivity, flexibility, and concern for the individual.

Communicable disease means an illness due to an infectious agent, or its toxic products, from a reservoir to a susceptible host and as further defined in the Communicable Disease Prevention and Control Act. Communicable diseases include, but are not limited to, mumps, rubella, influenza, mononucleosis, chicken pox, viral hepatitis-A, viral hepatitis-B, human immunodeficiency virus (HIV infection), AIDS, AIDS-Related Complex, sexually transmitted diseases, and infectious meningitis. HIV infection includes AIDS, AIDS-Related Complex, and a positive test for the antibody to human immunodeficiency virus.

Decisions concerning a person who has a communicable disease shall be based upon current and well-informed judgment which includes the nature of the disease, risk of transmission to others, symptoms and special circumstances of the person balanced with identifiable risks, and available alternatives to respond to a student with a communicable disease.

Nondiscrimination Students

No student will be required to cease attending Victoria College or participating in the College functions solely on the basis of diagnosis of a communicable disease. If a review of the facts demonstrates that a student is unable to perform as required, presents a health risk to himself/herself or the College community, a decision shall be made regarding the student's attendance at the College.

Confidentiality

Any medical documentation or information provided by an HIV-infected student to college personnel must be considered confidential and private information and must not be disclosed to any other person unless that person has a demonstrated need to know the information. The College will take appropriate disciplinary action against any employee who makes an unauthorized disclosure of any medical information regarding a student.

The program shall address current medical opinions concerning the nature of HIV infection and its symptoms, methods of transmission, types of behavior which increase the risk of transmission of the disease, preventive measures of avoiding infection, and most importantly, responsible and humane treatment of persons with the disease.

The Human Resources Office will make available upon request an educational pamphlet about the methods of transmission and prevention of HIV infection.

1. This policy was reviewed by the Board of Trustees as required by Texas Government Code Section 411-2031 (d-1).

Convicted Sex Offenders

The Texas Code of Criminal Procedure Article 62.153 requires each person who is required to register as a sex offender and who intends to attend classes at Victoria College to register with the College's Department of Police & Campus Safety at least seven days prior to reporting to any College location.

In addition, College regulations also require that any person who is required to register as a sex offender or who otherwise has any restrictions that would prohibit the person from being in proximity to individuals under the age of 18 must, prior to registering for any class, meet with the Interim Dean of Student Services to discuss all applicable limitations. The College reserves the right to remove from any class any such person who fails to meet with the Interim Dean of Student Services prior to registering for class. Persons covered by this regulation must meet with the Interim Dean of Student Services once per semester prior to registering for classes.

Drug and Alcohol Abuse

Victoria College is committed to maintaining a safe, healthy, and lawful educational environment for all students. Studies have shown that substance abuse increases the potential for accidents, absenteeism, tardiness, unsatisfactory performance, inefficiency, poor morale, and damage to the College's reputation. It is our intent to provide a better place to learn through upgrading the mental and physical health of the total College community.

An “illegal drug” is any drug or controlled substance which is (1) not legally obtainable or (2) is legally obtainable but was not legally obtained. The term “illegal drug” includes all illegal drugs, dangerous drugs, and controlled substances defined and listed in Chapter 481 of the Texas Health and Safety Code (Texas Controlled Substances Act). The College prohibits the unlawful manufacture, sale, distribution, dispensation, possession, use, or consumption of controlled substances, inhalants, and/or alcohol in the workplace or educational environment. An individual need not be legally intoxicated to be considered “under the influence” of a controlled substance or alcohol.

This practice applies to all students of Victoria College, as well as College visitors, contractors, and all other persons occupying space in and around office buildings, facilities, or grounds over which it has custody and control, including but not limited to rentals and leasing of College facilities.

Victoria College recognizes that alcoholism and drug dependency are illnesses and will provide information to any student seeking assistance when behavioral problems which appear to be the result of drug or alcohol abuse begin to affect academic performance. Students may be referred to Advising & Counseling Services for information regarding drugs/alcohol or to local community professionals and service agencies. The student will be responsible for any cost incurred for professional services. Information or medical records provided to the College by a student concerning a personal diagnosis or treatment will be kept strictly confidential.

Reporting Convictions of Drug Violations

As a condition of student enrollment with Victoria College, or as a condition of receiving or continuing to receive a federal grant or any other form of financial assistance, each person affected shall abide by the reporting requirements and prohibitions set forth below by the Drug Free Workplace Act.

As a condition of student enrollment, the College is required to take appropriate disciplinary action, up to and including

termination and/or expulsion, against the student within 30 days of receiving notice of conviction for a criminal drug statute violation occurring in the educational environment.

Notification

All students shall be given a copy, or provided access to a web version, of the College regulation regarding drugs and alcohol.

Emergency Procedures

These safety and security procedures have been established in an attempt to protect lives and property during times of emergencies. These regulations and procedures are to be followed in the event of an emergency.

Potential emergency situations include:

- fire
- bomb threat
- armed individual on campus
- severe weather alert
- injury or illness

All College students are vital to the success of an emergency plan. The regulations and procedures have been distributed to all students in an effort to stress the importance of campus-wide participation in following the steps involved in any given emergency.

The Department of Police & Campus Safety is responsible for providing security for all buildings on the Victoria College campus, to patrol parking areas, and to provide assistance to anyone on campus in need of help. Although police and security officers will strive to assist, students must remember that they have the primary responsibility for their own safety and security. Victoria College students are advised to call 911 in the event of a major emergency. This will bring campus police, EMS, fire department officials, and local police as needed. Local police provide support for Victoria College Police & Campus Safety personnel. The caller should specify the nature of the emergency, the location, and other information that may be applicable.

The caller should then notify Police & Campus Safety of the situation by calling (361) 220-1391, as well as one of the Vice Presidents.

The decision to close the campus will be communicated to students within minutes via a number of methods, including email, text messages, and recorded calls to home, office, and cell phones. In order to receive campus alerts, it is important to update all contact information in the Pirate Portal. Please visit www.VictoriaCollege.edu/Emergencies to learn how to update contact information.

Severe Weather

An emergency decision to dismiss classes or close the campus will be made by the President when weather or other conditions pose a potentially serious threat to the health or safety of the College's students and employees. The President will make the decision after consulting with appropriate College personnel and representatives of public health or safety agencies. In most situations, the College will close if Victoria Independent School District and the University of Houston-Victoria close.

The decision to close the campus means that all scheduled classes and activities (both day and night) are cancelled.

Fire

In the event of a fire, the following steps should be taken:

- Notify the fire department by dialing 911 or, if using a campus phone, dial 9-911.
- Notify Police & Campus Safety, the President, or one of the Vice Presidents.
- Use the fire alarm in the room, if available.
- Be available to advise the fire department of the type and location of the fire.
- Follow the exit signs posted in each classroom for best possible routes for leaving the building.

Bomb Threat

In the event that a bomb threat is received, the College will be evacuated immediately, using the best possible routes for exiting the buildings. Students should take all personal belongings, such as coats and backpacks.

Illegal Weapon on Campus

Anyone having positive knowledge that a person is in possession of an illegal weapon on campus should immediately call 911 to alert police of the situation. Be prepared to provide the following information:

- Location of the armed person.
- How the person is armed, i.e. rifle, pistol, bomb, knife.
- Purpose, if known, of the armed person.
- A complete description of the individual.
- Whether or not any shots have been fired.
- Your name and where you can be located if police need additional information.

After notifying the police, notify Police & Campus Safety, the President, and one of the Vice Presidents.

Injury or Illness

General Guidelines:

- Students who sustain injuries or experience illness should contact a College employee for assistance in completing an accident/injury report. Students are also encouraged to contact their personal physician for follow-up care.
- If a student witnesses an accident, they should contact a College employee immediately who, in turn, will contact Police & Campus Safety or one of the Vice Presidents to assist in implementing the appropriate procedures.
- Students are asked not to provide transportation for injured or ill persons. However, if students choose to do so, they do so at their own risk and liability.
- Contact Student Services to make arrangements for a family member to be notified to transport injured or ill students for medical attention.
- Students should not hesitate to call EMS in the event of a serious illness or accident.

Financial Delinquency

Student Responsibility

The College expects students to be financially responsible and not be delinquent in financial obligations to the College. A student who passes a worthless check, to include electronic transactions, to the College will be notified and given an opportunity to resolve the matter. If the obligation is not met by the date stipulated in the notification letter, the student will be withdrawn from classes and the check will be turned over to the District Attorney's office. Such violations will be subject to investigation by the Interim Dean of Student Services and subject to sanctions. In addition, the student may lose the privilege of paying by check for any College expense.

A student who fails to make installment payments by the due dates specified on the installment contract will be assigned a \$25.00 late fee for each missed payment date. A delinquent account may be referred to a collection agency, in which event the student will be responsible for attorney's fees, court costs, and any other associated fees. A hold will be placed on the records of any student who is delinquent in his/her financial obligations to the College. Future credit and noncredit registration and official transcript requests will be denied until all obligations are met.

Freedom of Speech and Assembly

Victoria College honors the rights of free discussion and expression, peaceful picketing and demonstrations, and the right to petition and assemble peacefully. Students are free to engage in such activities in public, outdoor areas of the Victoria College campus that are common and accessible to all students without prior approval.

Victoria College retains the right to relocate activities that create noise disturbances that substantially interfere with the opportunity of students to obtain an education; substantially interfere with vehicular or pedestrian traffic; block ingress or egress to College buildings; conflict with a previous College planned activity; present an unreasonable danger to the health or safety

of individuals; are prohibited by local, state, or federal law; or prevent fire protection, law enforcement, or emergency medical service providers from access to areas on campus. The sponsoring student organization or group assumes all responsibility for compliance with local, state, and federal laws. Any request for an exception to, or modification of, this regulation shall be directed to the Office of the Interim Dean of Student Services.

Immunization Requirements

Effective January 1, 2012, Senate Bill 1107 requires that all entering college students provide evidence of receiving immunization for bacterial meningitis. Unless exempted as noted below, entering students must comply with this requirement.

- All first-time students of an institution of higher education or private or independent institution of higher education. This includes dual enrollment students, regardless of where or how they are taking classes for credit from Victoria College.
- All students who are transferring from any institution of higher education to Victoria College.
- All students who previously attended an institution of higher education, including Victoria College, and who are enrolling or re-enrolling in Victoria College following a break in enrollment of at least one fall or spring semester.
- Students are EXEMPT from this requirement if they will be age 22 or older on the first day of classes of the semester in which they are enrolling at Victoria College.
- Students who cannot take the vaccine because of medical reasons. To prevent their registration for classes from being affected, they must submit specific acceptable documentation to substantiate this reason.

The Board of the Texas Department of Health and Victoria College strongly recommend that College students receive adequate immunizations prior to admission for diphtheria, rubella, mumps, and tetanus.

Students enrolled in Allied Health programs are required by state law to be immunized against these diseases.

Intellectual Property

Student intellectual property is treated in the same manner as intellectual property of faculty and staff. Ownership of student projects that are the result of individual initiative with incidental use of College facilities and resources resides with the student. If the student is working on a project initiated and funded by Victoria College, ownership resides with the College. Student grievances alleging that a student's intellectual rights have been abridged are addressed by the student grievance process as outlined on page 29 of this handbook. The Intellectual Property regulation can be viewed in its entirety at: www.VictoriaCollege.edu/StudentServices.

Security

Victoria College employs licensed peace officers and nonlicensed security officers to enforce penal statutes and laws, to assist students, and to enforce College regulations. Campus police officers have full authority of state police officers as granted by Texas Education Code, Chapter 51. Police and security personnel have the authority to enforce all traffic regulations and to assist the Interim Dean of Student Services and other officials of the College with the investigation of alleged violations of College policies and regulations.

Victoria College Police & Campus Safety personnel make every attempt to safeguard students and their property on the College campus. Students should not leave valuables in their vehicles, in the Sports Center, or anywhere out of their control.

The College is not responsible for theft of student property. Although police and security officers may assist persons in need of help, students must remember that they have the primary responsibility for their own safety and security.

Tobacco Use

In order to protect the health, safety, and welfare of employees, students, and the public, Victoria College will provide an environment free from exposure to smoke from tobacco and other products, to include electronic cigarettes. Tobacco use **and the use of smokeless devices like electronic cigarettes** is prohibited in all College facilities. In addition to College facilities, smoking, **including smokeless devices like electronic cigarettes**, is prohibited on all College grounds and in parking lots.

Towing of Vehicles

Victoria College Police & Campus Safety is authorized to remove or impound motor vehicles from College property at the owner's expense under the following circumstances:

The company that tows or impounds the vehicle will be determined based on the rotating wrecker list maintained by the local law enforcement agency. Impound fees and storage fees will be determined by the policy of the individual towing company.

The responsibility for finding a legal parking space rests with the motor vehicle operator. Lack of space is not considered a valid excuse for violation of parking regulations.

Photos and Video

Victoria College may at times use photographs, audio, and/or video recordings of employees and students for purposes of education, publicity, and student recruitment on behalf of the college, via the Internet, print publications, and other media.

Should an employee or student (or the parents or guardians of such persons who are under the age 18) NOT want to be photographed or recorded, or have his/her name or "directory" information used in connection with any such recording, that person must notify the college in writing.

Individuals who choose to opt-out are also responsible for removing themselves from areas in which photography and/or recording is taking place, or notifying the camera operator of their opt-out status. Failure to do so may result in that individual's inclusion in a photograph or recording and will be treated as consent for the college to utilize that photograph or recording accordingly.
