FAQS

Listed are common frequently asked questions.

After registering, when do I have to pay?
Students must make payment arrangements by noon on the registration/payment deadline listed in the WCE schedule to remain enrolled. Registration is not complete until your classes have been paid in full or you have initiated a payment plan. Financial aid and scholarships do not cover 100% of tuition. If you have received a financial aid or scholarship award notification, it will not be applied to your account until you have contacted our office AND paid any remaining balance.

What is your cancellation policy?
Victoria College reserves the right to cancel classes and change class times or instructors as needed without notice.

In the event of inclement weather, class may be cancelled.

Students will be notified of cancellations via the phone number listed on their Pirate Portal account and/or their VC email address.

What is the Refund Policy?
No refunds will be given after the course start date.

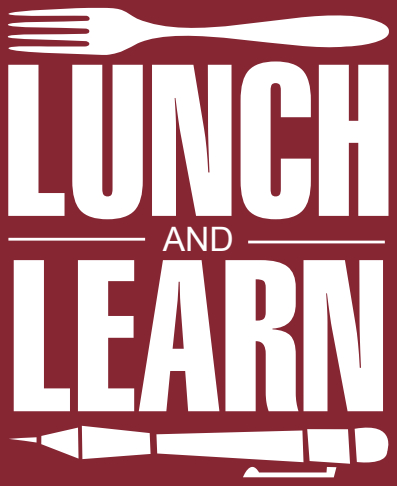
A 100% refund is given if a withdrawal request is received before the class begins, or if the class is cancelled by the College. No refund is issued after the class begins. Law Enforcement Academy students will receive an 80% refund if the withdrawal is completed during the first five calendar days following the first class meeting.

Direct deposit refunds are made to students who have designated a checking or savings account through their student portal. If no direct deposit profile has been established, a check is mailed to the student's mailing address of record on file with the registrar.

What special accommodations are available?
Any participants with disabilities who need special accommodations should call to request those accommodations as soon as possible, but no later than one week prior to the beginning of class. For more information, please call (361) 572-6405.

Is tobacco allowed at your training locations?
Tobacco use and the use of smokeless devices like electronic cigarettes is prohibited in all College facilities, grounds, and parking lots.

Each Class is $15.



Register for all three for only $35.

Fiber Optics Technician-$1,100

$ Page 16

CSIR 1052

Prerequisite: Basic working knowledge of computers, the ability to see and identify small items, and the ability to speak the English language.

This introductory fiber optics technician course, which is offered in partnership with BDI DataLynk, is designed for anyone interested in becoming a Certified Fiber Optic Technician. The course combines theory and 85% hands-on activities to prepare the student to take the CFOT (Certified Fiber Optic Technician) exam that is sanctioned by the FOA (Fiber Optics Association). Students will learn how to identify fiber types; recognize various connectors used in fiber installation; and install, terminate, splice, and properly test installed fiber cable to existing standards. Certification exams will be administered and graded during the class. Students must pass both the written and hands-on exams to successfully pass this course. All course materials, certification exam costs, and 1-year membership to the FOA are included. 20 contact hours

Skills for Small Business

DO YOU OWN A SMALL BUSINESS?

You may be eligible to receive funds from the Texas Workforce Commission to train your employees.

Through the Texas Workforce Commission (TWC) Skills for Small Business Program, up to $2 million per year has been dedicated to the backbone of the Texas business community – small employers. Small businesses can apply to TWC for training offered by Victoria College. TWC processes the applications and works with the College to fund the specific courses selected by businesses for their employees. This program supports businesses with fewer than 100 employees and emphasizes training for new workers. It has the additional ability to upgrade the skills of incumbent workers.
