**Academic Advisor:** VC staff member of the Advising & Counseling Services Office, whose goal is to assist students with academic planning and degree requirements.

**Academic Intervention:** Students are placed on academic intervention when their cumulative GPA drops below 2.0 after being on good standing.

**Academic Recovery:** Students who are on academic intervention and fail to increase their cumulative GPA to a 2.0 or higher at the end of the semester will be placed on academic recovery.

**Academic Term:** A length of time in which a course is taught. Academic terms can vary in length (e.g. 2 weeks, 5 weeks, 8 weeks, or 16 weeks). Students may register for several different academic terms within one semester.

**Admission:** The process of filling out forms, filing documents, and taking tests prior to registering for classes.

**Admissions:** The process of applying for entrance to Victoria College for undergraduate studies or vocational training.

**Assessment:** A test used to determine a student's skill levels in English, language arts, and reading (ELAR) and mathematics. The results are used to ensure that students are meeting basic skills before enrolling in college-level courses.

**Catalog:** A document published annually which includes policies and procedures, courses of study, degrees and certificates offered, admission and enrollment procedures, financial aid, student life and activities, and a variety of other information students need to know.

**College:** When capitalized, the term "College" means Victoria College.

**College Official:** Includes any person employed by Victoria College while performing assigned administrative or professional responsibilities.

**College Premises:** Includes all land, buildings, facilities, and other property that is owned, used, or controlled by the College.

**Course:** The organized subject matter in which instruction is offered within a given period of time. Courses can either be for credit or can be designated as noncredit.

**Course Prerequisite:** The preliminary requirement that must be met before a certain course can be taken.

**Credit Hours:** Courses taken in college are measured in terms of credit hours. To earn credit hours, a student must attend a class for one classroom hour (usually 50 minutes) per week for the whole semester (usually 16 weeks).

**Curriculum:** A group of required courses leading to a degree or certificate; also refers to course offerings of a college as a whole.

**Elective:** A subject or course which a student may choose to take rather than a course which is required.

**Full-Time Student:** A student who takes 12 or more credit hours during a semester.

**Grade Point Average:** Determined by dividing the total grade points earned by hours attempted. Credit hours for a course in which a grade of W, S, SA, SB, SC, Q, U, or UF is earned will not be counted as hours attempted for the purpose of cumulative GPA calculation.

**Learning Assistance:** Free services which provide additional academic assistance for all students.

No college credit is granted for these courses.

**Part-Time Student:** A student who takes 11 or fewer hours during a semester.

**Payment Plan:** A method available to pay tuition and fees. To secure enrollment students must either enroll in a payment plan or pay in full by the time classes begin. Two options are available during the fall and spring semesters: the first requires one half of the tuition and fees paid at the time of registration, while the second requires paying one third of the tuition and fees paid at the time of registration. The remaining balance for each plan is due in two payments. For summer, the balance is due in one payment. During certain early registration periods, the College will offer a payment plan that requires one fourth down and three payments. There is a \$20 service fee to use the payment plan.

Students with a cumulative GPA of 2.0 or above are in **good standing**.

## Transfer Students

Students transferring from another college/university to Victoria College will be admitted without regard to probation status from their former college or university.

Requirements for students on academic intervention:

- Attend six Success Coaching sessions

## Satisfactory Academic Progress (SAP) Policy

Federal regulations mandate a student receiving financial assistance under Title IV programs must maintain satisfactory academic progress in his/her course of study regardless of whether or not financial aid is awarded each semester. Title IV funds include Pell Grant, SEOG, Direct Loans, and Federal Work-Study.

Financial Aid SAP standards are not the same as the Victoria College Academic Standards.

Although students may be granted an Academic Fresh Start, the Financial Aid Office is required to include all prior credits completed or attempted, including prior grade point averages (GPA) when determining eligibility for financial aid. Student financial aid, as defined in this policy, specifically applies to all federal, state, and certain institutional aid programs. Federal guidelines stipulate that this policy applies to ALL enrollment periods, regardless of whether students have received financial aid.

### NECESSARY REQUIREMENTS FOR SATISFACTORY ACADEMIC PROGRESS

**Qualitative Standards** - Students will be expected to maintain the minimum academic standards as outlined in the Academic Regulations in the *Victoria College Catalog* and established by the Admissions & Records Office. Students must maintain a cumulative GPA of at least 2.0. This will not include any developmental classes.

**Quantitative Standard** – Students must complete 67% of their cumulative attempted hours. This number will not be rounded up or down. The quantitative standard is used to measure a student's pace in a program. A student may be on pace for the semester but not be on pace when calculating the cumulative hours. Pace is measured by dividing the cumulative number of hours the student has successfully completed by the cumulative number of hours the student has attempted. Keep in mind attempted means all the hours

a student registered for, even those in which he/she may have received any of the following grades: W, F, FX, S, SA, SB, SC, T, U, UD, UF, I and Q. Completed means those hours a student has registered for and received a grade sufficient for graduation. Foundational coursework is included in this calculation as well as transfer credits accepted by Victoria College.

**Maximum Time Frame** - Victoria College is a two-year public community college with certificate and associate degree programs. Students must complete their program of study within 150% of the length of the program. Maximum time frame is measured by dividing the number of credit hours the student has attempted by the number of credit hours required to complete the student's program of study. If the student will exceed 150% by the end of the program, the student will be placed on Financial Aid suspension. The time frame requirement applies to certificate programs, as well as associate degrees and applied science degrees. Transfer course work accepted by Victoria College and courses with a grade of F, FX, W, S, SA, SB, SC, T, U, UD, UF, I and Q will be included in the calculation.

Some examples of maximum time frame are:

Program Requirement Hours	Maximum Time Frame Percentage	Attempted Hours Permitted
60	150%	90
45	150%	67
32	150%	48

## **FAILURE TO MEET MINIMUM REQUIREMENTS**

Financial Aid Warning is a status assigned to a student who fails to make Satisfactory Academic Progress at the end of a payment period and will be allowed to continue to receive aid for one payment period. There is no warning period for maximum time frame.

Financial Aid Suspension is a status assigned to a student who has not met the requirements for Satisfactory Academic Progress and has not been granted an appeal, or a student who was on Financial Aid Probation and failed to meet Satisfactory Academic Progress or the requirements of the established academic plan and will not be eligible to receive Title IV funds.

Financial Aid Probation/Plan is a status assigned to a student who fails to make Satisfactory Academic Progress for a subsequent payment period and who has appealed and has had eligibility for aid reinstated. A student on Financial Aid Probation/Plan may receive Title IV funds for one payment period. At that point, the student must meet the school's SAP standards or the requirements of the established individual academic plan to maintain Title IV eligibility.

## **SATISFACTORY ACADEMIC PROGRESS APPEAL PROCEDURES**

Students who do not meet the qualitative and/or quantitative measurements of the Satisfactory Academic Progress due to circumstances beyond their control may submit an appeal to the Office of Financial Aid. Satisfactory Academic Progress Policy.

- SAP measurements:
- GPA – Minimum cumulative GPA at least 2.0
- PACE – Minimum overall completion rate of 67%
- Timeframe (MAX) –Total attempted credit hours exceed 150% of program length

### **How to appeal:**

- Complete the Satisfactory Academic Progress Appeal form:  
[www.VictoriaCollege.edu/FinancialAidForms](http://www.VictoriaCollege.edu/FinancialAidForms).
- Attach a letter outlining the situation which affected your academic

performance and the dates of your circumstances, and what you will do differently to ensure academic success if your appeal is approved. Failure to include an explanation will result in your appeal being denied.

Students receiving Financial Aid awards must have their academic plan updated and current within Degree Works to receive Financial Aid funds. It is encouraged that all students create a Plan of Completion with their Academic Advisor. All changes must be made before the Official Report Date (ORD) of the active semester.

The Priority Appeal Submission Deadline is the Friday prior to the Committee's meeting (2nd Tuesday of the month). Students will be notified of the outcome via their Pirate Portal email by the Wednesday after the committee's meeting.

### **If the appeal is approved:**

- The student will be placed on Financial Aid Probation/PLAN.
- The students' progress will be evaluated at the end of each semester and the student must meet the Satisfactory Academic Progress minimum requirements to determine whether they will continue to be eligible for Title IV funds.

**If the appeal is denied**, a student can submit a 2nd appeal to the Office of Financial Aid with additional paperwork that was not submitted with the first appeal.

**NOTE:** The 2nd appeal will only be reviewed at the end of each, Fall, Spring, and Summer terms. All appeals will be reviewed before the start of the entering semester, and this decision is final. For further details regarding the dates, please contact the financial aid office.

## **ADDITIONAL INFORMATION**

- Financial Aid recipients who withdraw from classes or stop attending classes before completing at least 60% of the semester may have to pay back a portion of their grant and/or loan money. The 60% completion rate will be determined by the attendance as submitted by the instructors. This is known as a Return to Title IV calculation (R2T4). This includes all grades of W, Q, U, UD, UF, F and FX. The amount of financial aid earned up to the last attendance date is determined by a specific federal formula.
- A maximum of 30 developmental hours may be taken and paid for with Title IV funds.
- Students may not receive federal aid for courses that were previously taken and passed beyond the first retake. Repeat courses still count toward your attempted hours for Financial Aid purposes. Other restrictions may apply in regard to repeat courses. Check with the Financial Aid Office for clarification.
- Pell Lifetime Limits – the Department of Education limits the student's eligibility for Pell Grant to 600% or 12 full-time awards.
- Loan Aggregate Limits – the Department of Education limits loan awards based on student status: dependent/independent, undergraduate/graduate.
- A student must be in Good, Warning, or Plan status to receive institutional scholarships or childcare assistance.

# Sexual Harassment & Discrimination

## Freedom from Discrimination and Harassment

All students have the right to a learning environment free from discrimination and harassment based on sex, race, color, national origin, age, religion, disabling condition, veterans status, or limited English proficiency.

## Sexual Harassment

Sexual harassment is a type of sexual discrimination prohibited by Title VII of the Civil Rights Act of 1964 and Title IX of the Education Amendments of 1972 and is, therefore, prohibited at Victoria College.

By definition, sexual harassment involves the unwelcome introduction of sexual activities or comments into the workplace or classroom. Unwelcome sexual advances and other verbal or physical conduct of a sexual nature constitute sexual harassment when:

- Submission to the conduct becomes a term or condition of employment or academic achievement.
- Submission to, or rejection of, the conduct is used as a basis for employment or academic decisions regarding the individual, or the conduct unreasonably interferes with the individual's work performance or creates an intimidating, hostile or offensive working or academic environment. Victims of sexual harassment can include students and employees of both sexes.

## Harassment

Harassment is defined as extreme or outrageous acts or communications that are intended to harass, intimidate or humiliate students or employees on account of sex, age, religion, disabling condition, veteran's status, race, color, or national origin and that cause them to suffer severe emotional distress or impede the learning process. Harassment is expressly prohibited and any student or employee who engages in such conduct is subject to disciplinary action.

## Sexual Violence

Students are also protected by federal law from sexual violence, which is another form of gender-based discrimination. Sexual violence includes sexual assault, domestic violence, dating violence, and stalking. If a student has experienced sexual violence either on or off campus, a complaint procedure and information regarding assistance can be found in the Victoria College Policy Prohibiting Sexual Violence. The policy can be accessed at [www.VictoriaCollege.edu/StudentServices](http://www.VictoriaCollege.edu/StudentServices).

## Reporting Sexual Assault and other Sexual Misconduct

Students and employees are encouraged to report instances of sexual assault and sexual misconduct. The anonymous sexual assault and sexual misconduct form is available online <https://bit.ly/3iWLrPZ>.

Please Note: Completing the sexual assault and sexual misconduct anonymous reporting form does not constitute a police report. If you are experiencing an emergency, please call 911 or 9-911 from a campus telephone.

The Title IX Coordinator for Victoria College is Terri Kurtz. She can be reached at (361) 572-6463.

## **Disposition for Cases of Complaints of Discrimination and Harassment**

- Each complaint will be investigated as promptly and thoroughly as possible.
- If the investigation indicates that discrimination has occurred, prompt and appropriate action will be taken to end the discrimination.
- In the case of allegations of discrimination involving disabling conditions, the coordinator for college compliance with the Americans with Disabilities Act will participate in all proceedings.

### **Complaints by Students Against Students**

- If the complaint is found to have merit, the Affirmative Action Officer will have the authority to recommend or impose sanctions.
- If the complaint is found not to have merit, the Affirmative Action Officer may dismiss the case.
- Either party may appeal the findings of the Affirmative Action Officer to the Discipline Committee. The Appeal Form is available at: [www.VictoriaCollege.edu/StudentServices](http://www.VictoriaCollege.edu/StudentServices).

### **Complaints by Students Against Staff or Faculty Members**

- If the complaint is found to have merit, appropriate disciplinary action will be recommended by College authorities.
- The accused may appeal this finding by following the procedures outlined in the Complaint Procedure, Section 1.2.4 of the *Employee Handbook*. The Complaint Procedure can be accessed at [www.VictoriaCollege.edu/StudentServices](http://www.VictoriaCollege.edu/StudentServices).

Upon completion of the investigation, the Affirmative Action Office will notify the student of the outcome of the investigation.

### **Freedom from Retaliation or Reprisal**

Any student has the right to make a good faith complaint of discrimination or harassment without fear of retaliation or reprisal. Any student who feels that he or she has been subjected to any form of retaliation or reprisal because of his or her complaint is entitled to file a complaint with the Affirmative Action officer as outlined above.

In cases of alleged discrimination or harassment, a student whose complaint has been found not to have merit may appeal, in writing, directly to the President of the College who shall uphold or reject the appeal and notify the student within 10 days. A student whose appeal is denied by the President may appeal in writing to the Board of Trustees in sufficient time for the matter to be included on the agenda of the next regular Board meeting following the President's decision. The decision of the Board shall be final.

## Right of Privacy

- **Person and Property**

A student shall be free from searches and seizures of possessions while on College property unless said search and seizure is conducted in accordance with state and federal laws. In cases of imminent danger or when there are reasonable grounds upon which to believe it is necessary to conduct a search immediately in order to protect life or property, searches may be conducted in the presence of the Vice President of Student Services or another member of the Dean's staff acting as the Dean's authorized representative.

In these circumstances, only the information pertinent to the inquiry may be revealed. The Vice President of Student Services may also act without the student's consent to have a statement of suspension or dismissal entered on the student's academic record for the time that this disciplinary sanction would prohibit the student from registering. Written notice of this statement shall be sent to the student.

No student will be identified in any report by individual Social Security number. Students have a right to request, in writing, that the information they are required to provide to Victoria College be withheld from the statistical analysis described above. In addition to the acts of misconduct specified herein, the minimum standards of individual conduct required by local, State, and Federal penal statutes are both expected and required of every student attending the College. Students may be disciplined by the College for violating any such standards of conduct on the campus or off of the campus in any of the following situations: when the incident occurs in connection with an institution-oriented activity, or when the incident has a substantial connection to the interests of the College in maintaining an orderly educational process, even if the student is or may be penalized by government authorities for the same act. A student who admits to, or is found to have engaged in, conduct prohibited by these standards as determined through the College investigation and appeal process, may be subject to discipline, even if no charges are brought by the government, if the student enters a plea bargain, or if the student is granted deferred adjudication.

## **Definitions**

The following definitions apply to and should be read in conjunction with the Prohibited Acts of Misconduct:

- 1. College Property:** "College Property" refers to the Victoria College campus and all of the physical units of operation and resources owned by Victoria College. As such, Internet access, telephones, and other telecommunication devices owned and managed by Victoria College and used in the commission of an act of misconduct results in the misconduct being defined as having occurred "on College property" regardless of where the offense is committed.
- 2. Members of College Community:** All College students, employees, Trustees, contractors, visitors, and guests are defined as "members of the College Community".
- 3. Possessing, possession, or possess:** A student is in "possession", "possesses", or is found to be "possessing" any item, article, thing, or object prohibited by the prohibited acts of misconduct when the item, article, thing, or object is in the student's vehicle, on his/her person, or in a backpack, briefcase, tote bag, or any other carry-all case, or otherwise under their control. The student need not be the owner of the item, article, thing, or object.

### Academic Misconduct Disciplinary Process

When a student has been suspected of cheating, plagiarism, and/or failure to comply with course/program requirements, the instructor must, within five business days of the discovery, inform the student in writing that a charge of academic misconduct is being made and that a sanction is being imposed. The sanction may include any grade on the paper or examination in which the offense occurred or any grade for the course in which the offending paper or exam was submitted. In cases of failure to comply with course or program requirements, sanctions may include withdrawal from the program.

The instructor must also inform the student of his/her right to appeal and to which Dean or Director to make the appeal. The student will then have five business days from receipt of the instructor's notice of charge and right to appeal in which to notify the Dean or Director of his/her intention to appeal.

### Appeal Process Concerning Sanction(s) for Cheating, Plagiarism, and/or Failure to Comply with Course/Program Requirements

<b>Step 1</b>	<b>Notification</b> Within five (5) business days of receiving the notice of charge and right to appeal by the instructor, the student must notify the Dean or Director of the charges made and intent to appeal and arrange to meet with the Dean or Director to discuss the allegation(s). Upon meeting with the Dean or Director, the student must furnish documentation and any other evidence relevant to the case.
<b>Step 2</b>	<b>Investigation/Review</b> Within five (5) business days of meeting with the student, the Dean or Director will meet with the instructor to confirm whether or not a violation was actually committed and to discuss the appropriateness of the sanction.
<b>Step 3</b>	<b>Findings and Student Response</b> <b>No Violation</b> – Within five (5) business days after meeting with the instructor, the Dean or Director will notify the student that the sanction has been reversed. <b>Violation Committed</b> – Within five (5) business days after meeting with the instructor, the Dean or Director will notify the student that the violation did occur and that the sanction will be upheld and will send a confirmation letter to the student's home address. In that letter, the Dean or Director will also inform the student of his/her right to appeal the decision.
<b>Step 4</b>	<b>Appeal of Dean Decision</b> Within five (5) business days from receipt of the letter, the student may request a meeting with the Executive Vice President-Chief Academic Officer if he/she wishes to appeal the dean's decision. Within five (5) business days of meeting with the student, the Executive Vice President-Chief Academic Officer will either overturn or uphold the sanction. The Executive Vice President-Chief Academic Officer will notify the student in writing of the Executive Vice President-Chief Academic Officer's decision. If the Executive Vice President-Chief Academic Officer upholds the sanction, the student may appeal in writing to have the Student Appeals Committee for Academic Matters review the sanction.

## Appeal to Student Appeals Committee for Academic Matters

<b>Step 1</b>	Within five (5) business days of receiving notification from the Executive Vice President-Chief Academic Officer, the student may complete the appeal form and send it to the Dean of the division in which the offense occurred. The appeal form is available at <a href="http://www.VictoriaCollege.edu/StudentServices">www.VictoriaCollege.edu/StudentServices</a> .
<b>Step 2</b>	Within five (5) business days of receiving the appeal form, the Division Dean will forward the student's appeal form and the entire file regarding the alleged academic misconduct to the Chair of the Student Appeals for Academic Matters Committee.
<b>Step 3</b>	The Chair of the Student Appeals for Academic Matters Committee will invite the student, the instructor, the Division Dean, and the Executive Vice President-Chief Academic Officer to file statements with the committee. The committee will then decide by majority vote whether or not to formally review the case. The committee must formally review the cases in which a student has appealed suspension or dismissal.
<b>Step 4</b>	If the committee formally reviews the case, it will convene within five (5) business days after reviewing the completed appeal form. When the committee reviews a case, it may concur with or reverse the instructor's and Executive Vice President-Chief Academic Officer's findings of fact regarding the guilt and/or the recommended sanction(s). If the committee concurs with the findings of fact regarding guilt but does not agree with the imposed sanction, it will return its decision and its recommendation of an appropriate sanction to the Executive Vice President-Chief Academic Officer, who will inform with the Division Dean and the faculty member of the decision. The student will have the right of class attendance and participation during the consideration of any appeal only when approved by the Executive Vice President-Chief Academic Officer.

## Composition of Student Appeals Committee

Possible sanctions for violations of disciplinary rules or for prohibited acts of misconduct are as follows:

The Student Appeals for Academic Matters Committee will consist of six members: two students elected by the Student Government Association and four full-time faculty members elected at large. The Chair of the committee must be a faculty member and will be appointed by the committee. In addition, there will be two student and faculty alternates.

- All members of the Student Appeals for Academic Matters Committee and/or their alternates will be expected to meet within five business days after notice from the Chair.
- During a formal review, the committee will meet with the student, the instructor, and the Executive Vice President-Chief Academic Officer and request additional information where it deems appropriate.
- The committee will render a decision in writing within 15 business days of convening.
- The decision of the committee is final.

## **Non-Academic Disciplinary Process**

Upon receipt of a complaint or information regarding a student's alleged violation of the college's misconduct rules, the Vice President of Student Services shall investigate allegation(s) and determine if the student violated any disciplinary rules.

The Vice President of Student Services will follow the process set forth in the student handbook. In the event the student or the Vice President of Student Services requires an extension of time to meet a deadline set forth herein, a request for an extension of time shall be forwarded to the President with a specification of the number of days requested and an explanation of the basis for the request.

### **Step 1 – Notification**

The Vice President of Student Services is notified of the alleged violation(s) of disciplinary rules and regulations.

### **Step 2 – Investigation/Review**

The Vice President of Student Services investigates the alleged violation(s) of disciplinary rules and determines if a violation has been committed. The Vice President of Student Services is allowed ten (10) business days to conduct an investigation of an alleged code of conduct violation.

### **Step 3 – Preliminary Findings and Student Response**

The Vice President of Student Services notifies the student, in writing, of the allegation(s) and evidence upon which the preliminary findings are based and solicits the student's response.

The student is allowed ten (10) business days in which to respond. In providing a response, the student may identify witnesses, documentation, and any other evidence the student deems relevant to the allegation(s).

The student may also request a meeting with the Vice President of Student Services before the expiration of the ten (10) business days in which he or she has to respond. The right of the student to appeal will not be affected by the student's failure to respond to the allegations.

### **Step 4 – Determination of Sanction(s)**

**No Violation Committed** – No further action

**Violation Committed** – The Vice President of Student Services determines an appropriate sanction(s). No later than ten (10) business days from receipt of the student's response, or expiration of time in which the student has to respond, the student is advised in writing of the Vice President of Student Services final findings and notice of sanction to be imposed.

### **Sanctions**

A transcript notation will be added to a student's transcript in accordance with TEC §51.9364, when a student is ineligible to re-enroll at Victoria College based on reason that is not academic or financial. A student may request that the notation be removed if the student becomes eligible to re-enroll. If a student withdraws while a disciplinary matter is in progress that could declare the student ineligible to re-enroll, then the college will still complete the disciplinary process. Possible sanctions for violations of disciplinary rules or for prohibited acts of misconduct are as follows:

<b>Sanction</b>	<b>Definition</b>
<b>Warning</b>	Student verbally cautioned that continuance or repetition of specified conduct may be cause for other disciplinary action. This sanction is not subject to appeal.

<b>Probation</b>	<p>Probation is the exclusion of a student from participation in privileges or extracurricular College activities. Probation can also include compliance with special conditions, such as counseling.</p> <p>If a student, while on probation, violates any of the terms of the probation, or violates the Student Code of Conduct while on campus or in relation to College-sponsored activities, the student shall be subject to further disciplinary actions in the form of suspension or dismissal.</p> <p>A probationary sanction may be subject to appeal, depending on the nature of the probation imposed. In the event it is determined that the student may appeal a probationary sanction, the student must submit the appeal to the Discipline Committee within five (5) business days of receiving notice from the Vice President of Student Services.</p>
<b>Suspension</b>	<p>Forced withdrawal for a specified period of time which may include the following:</p> <ul style="list-style-type: none"> <li>• Forced withdrawal from the course in which the offense occurred.</li> <li>• Forced withdrawal from all classes.</li> <li>• Forced withdrawal from the program of the division in which the offense occurred.</li> </ul> <p>Suspension may result in termination of student status and all related privileges and activities, and exclusion from the campus if set forth in the notice of suspension. If a student, while on suspension, violates the Code of Student Conduct while on campus, or in relation to a College-sponsored activity as determined after the opportunity for a hearing, the student shall be subject to further disciplinary action in the form of dismissal.</p> <p>Students may appeal a non-academic misconduct sanction of suspension to the Disciplinary Committee within five (5) business days of receipt of the Vice President of Student Services' final findings and notice of sanction(s). Students may appeal a sanction of monetary reimbursement to the Discipline Committee within five (5) business days of receipt of the Vice President of Student Services' final findings and notice of sanction(s).

<b>Emergency Temporary Suspension &amp; Removal</b>	<p>In cases of misconduct where the student's acts are such that a clear and present danger exists with regard to the safety of persons or property or when conditions justify a reasonable belief that the student has willfully disrupted the orderly operation of the College and that the student's presence on campus will constitute a substantial and material threat to the orderly operation of the campus, the President of the College, or the President's designee, may impose upon any student such temporary sanctions to suspend the student and prohibit the student from having any presence on the campus prior to the completion of the appeal process. In these cases of temporary suspension and prohibition from presence on campus prior to completion of the appeal process, the student shall be notified by the President, or the President's designee, of the temporary suspension along with a brief statement of the misconduct resulting in the temporary suspension. The student shall also be informed of his or her right to commencement of a hearing no later than three (3) days from the date of the student's request for appeal.</p>
<b>Complete Withdrawal</b>	<p>In cases where a student initiates a complete withdrawal from the College prior to the completion of the disciplinary process, the Vice President of Student Services retains discretionary authority to continue or terminate the disciplinary proceedings. In cases where the Vice President of Student Services terminates proceedings, the Vice President of Student Services shall impose conditions for the student's readmission if the basis for the original allegations of misconduct involved violence, threats of violence, abuse, or harassment. Returning students for whom conditions are imposed may appeal the conditions for readmission to the Discipline Committee as provided on pages 45-46 of the <i>Student Handbook</i>.</p>

## Non-Academic Appeals Process

The appeals process rests with the Discipline Committee. The decision of the Discipline Committee is final except in cases where a student has been subjected to an emergency, temporary suspension and removal. Students subjected to an emergency, temporary suspension and removal may proceed with appeals to the President of the College.

Students who have been recommended by the Vice President of Student Services for imposition of a sanction(s) subject to appeal shall not have the sanction(s) imposed unless the sanction(s) requested by the Vice President of Student Services, or other sanction(s) selected during the appeal process, are upheld upon completion of the appeal process.

In the case of students placed on emergency temporary suspension and prohibited from presence on campus pending appeal, all deadlines identified in the appeals processes shall be compressed, with agreement of the student, in order to insure the prompt completion of the appeal process as soon as practicable.

### Appeal to the Discipline Committee

- There shall be a Discipline Committee with appellate jurisdiction over the decisions in cases involving alleged violations by students of the College's disciplinary offenses if the decision imposed by the Vice President of Student Services comprises a sanction subject to appeal.
- The Discipline Committee shall have the authority to determine the issue of guilt in those cases appealed to it. The Discipline Committee shall convene within 10 days after receiving the student's notice of appeal.
- The Discipline Committee shall be comprised of five (5) faculty members; five (5) additional members shall serve as alternates. The Chair of the Committee shall convene meetings of the Committee at such times and places as necessary to carry out its duties. Five committee members must be present to hear a case.
- In the event the full Committee cannot be convened within ten (10) business days, the alternate members will serve to ensure a timely hearing.
- Any member of the Discipline Committee is obligated to withdraw from participation in a hearing when the member feels unable to hear the case fairly and objectively and to decide its outcome impartially on the basis of the evidence. Such a member will be replaced by an alternate.
- At the conclusion of the hearing, the committee member selected as chairperson shall assume the responsibility of collecting all evidentiary materials used by the committee. These materials, as well as the recording of the hearing, shall be returned to the Vice President of Student Services.

## College Regulations Affecting Students

### Attendance

In general, attendance is defined as being physically present in a face-to-face class and/or the face-to-face portion of a hybrid class at the time attendance is taken. For online classes, attendance is defined as activity in the class a minimum of 1 time per week.

**Attendance will be taken for every class meeting.** The method by which attendance is taken will be determined by the faculty member and clearly outlined in the class syllabus. Attendance records will be submitted electronically to the appropriate Division Dean on the last day of the course.

Regular and prompt class attendance is expected of every student. A student's absence means that the student is not able to participate in the class.

Students who miss class due to participation in authorized College activities will not be penalized if the sponsoring organization provides notification of the absence to the instructor as early as possible in advance of the absence. Nor will dual-credit students be penalized for missing class due to a high school-related activity if they provide notification of the absence to the instructor as early as possible in advance of the absence. The student must contact the instructor prior to the absence to develop a plan for making up any missed work in class on the day(s) of the absence. The student must have ample opportunity to make up the work, as determined by the instructor. The instructor may appropriately respond if the student fails to satisfactorily complete the assignment or examination. In the event of a disagreement over what constitutes "ample opportunity" and a reasonable amount of time, the dean will have final ruling. Students enrolled in selective admissions programs must follow specific program policies.

### Instructor-Initiated Withdrawals (Drops)

While it is the final responsibility of the student to drop a class that she/he is no longer attending, instructors may drop students under the following conditions:

### Pre-ORD (Official Reporting Date)

Instructors **must** drop a student who has not logged into an online class or physically attended a face-to-face or hybrid class prior to the ORD. Instructors must initiate ORD drops by the published deadlines.

### Post-ORD (Official Reporting Date)

An instructor **cannot** drop a student with an average of D/SC or better.

Instructors **may** at their discretion drop a student who is not passing without consultation with the student when absences accrued from the first day of class exceed the equivalent of two weeks of the class meetings. For classes that include a separate laboratory, a student may be dropped when absences exceed two weeks of the laboratory meetings or two weeks of the lecture meetings. For classes that don't meet for the traditional 16-week term, an equivalent number of contact hours will be used (i.e. 6 hours for a traditional 3-hour course). Additional division retention practices may be required.

An instructor **cannot** drop a student after 12 weeks of class instruction has been completed for the traditional 16-week term. For classes that don't meet for the traditional 16-week term, an equivalent number of contact hours will be used (i.e. 36 hours for a traditional 3-hour course).

This practice applies to all modes of instruction. Pursuant to Section 51.9111 of the Texas Education Code, active duty military personnel who provide copies of official orders verifying a call to active duty are exempt from the above practice. Interested parties should refer to the Student Handbook for additional information.

Under special circumstances, an instructor **may** drop a student sooner than outlined above if the special circumstances are clearly noted in the syllabus or program handbook and have been approved in advance by the appropriate Division Dean. Selective admission programs define their attendance and instructor-initiated withdrawal procedures in their syllabi and program handbooks.

Instructors will initiate withdrawals by completing the electronic drop form and forwarding it to the Advising and Counseling Services Office. The electronic drop form (see appendix) can be found on the faculty tab of the VC portal. The grade at the time of the drop and the last day of attendance must be included on the electronic drop form.

Instructors will set their own make-up policy as outlined in the course syllabus for work missed due to absence(s).

This practice applies to all modes of instruction. Pursuant to Section 51.9111 of the Texas Education Code, active duty military personnel who provide copies of official orders verifying a call to active duty are exempt from the above practice. Please see the *Victoria College Student Handbook* for the policy regarding absences for military service.

The Executive Vice President-Chief Academic Officer can make exceptions to the above rules.

### **Absences for Military Service**

- Pursuant to Section 51.9111 of the Texas Education Code, students who are called to active military service and are unable to attend classes or other required activities (i.e. examinations) because of such active service, will be excused for the absences or failure to engage in the required activities. However, the maximum period for which a student may be excused shall be no more than 25% (twenty-five percent) of the total number of class meetings or the contact-hour equivalent (not including the final examination period) for the specific course or courses in which the student is currently enrolled at the beginning of the period of active military service.
- A student will not be excused from classes or required activities under this regulation unless the student notifies Victoria College and his/her instructor(s) of the active duty and provides a copy of the orders. The coursework completed by a student prior to being called to active duty will be retained.
- Upon return from active military service, students excused from absences and activities under this regulation will be given a copy of the course syllabus or other instructional plan and shall be provided a reasonable time to complete an assignment or take an examination. The time to complete an assignment or take an examination will be determined by the student's instructor. However, the period of time provided should be at least a period twice the duration of their leave (i.e. on leave of one week, student

will be given two weeks to complete the assignment). A student who is excused will not be penalized for the absence as long as the required coursework is completed in the reasonable time determined by the instructor.

The notice must be in writing and must be delivered by the student either:

- access to materials and recordings or lectures for missed classes.

Students needing an incomplete-leave of absence (I) for parenting issues or pregnancy-related problems may receive up to 120 days to complete course work.

## **Communicable Diseases, Including AIDS**

Victoria College acknowledges the serious threat to our community and nation posed by the AIDS epidemic. This guideline is provided to educate students concerning AIDS, and to assure that each case of AIDS is managed individually with sensitivity, flexibility, and concern for the individual.

Communicable disease means an illness due to an infectious agent, or its toxic products, from a reservoir to a susceptible host and as further defined in the Communicable Disease Prevention and Control Act. Communicable diseases include, but are not limited to, mumps, rubella, influenza, mononucleosis, chicken pox, viral hepatitis-A, viral hepatitis-B, human immunodeficiency virus (HIV infection), AIDS, AIDS-Related Complex, sexually transmitted diseases, and infectious meningitis. HIV infection includes AIDS, AIDS-Related Complex, and a positive test for the antibody to human immunodeficiency virus.

Decisions concerning a person who has a communicable disease shall be based upon current and well-informed judgment which includes the nature of the disease, risk of transmission to others, symptoms and special circumstances of the person balanced with identifiable risks, and available alternatives to respond to a student with a communicable disease.

### **Nondiscrimination Students**

No student will be required to cease attending Victoria College or participating in the College functions solely on the basis of diagnosis of a communicable disease. If a review of the facts demonstrates that a student is unable to perform as required, presents a health risk to himself/herself or the College community, a decision shall be

made regarding the student's attendance at the College.

### **Confidentiality**

Any medical documentation or information provided by an HIV-infected student to college personnel must be considered confidential and private information and must not be disclosed to any other person unless that person has a demonstrated need to know the information. The program shall address current medical opinions concerning the nature of HIV infection and its symptoms, methods of transmission, types of behavior which increase the risk of transmission of the disease, preventive measures of avoiding infection, and most importantly, responsible and humane treatment of persons with the disease.

The Human Resources Office will make available upon request an educational pamphlet about the methods of transmission and prevention of HIV infection.

## Convicted Sex Offenders

The Texas Code of Criminal Procedure Article 62.153 requires each person who is required to register as a sex offender and who intends to attend classes at Victoria College to register with the College's

Department of Police & Campus Safety at least seven days prior to reporting to any College location.

In addition, College regulations also require that any person who is required to register as a sex offender or who otherwise has any restrictions that would prohibit the person from being in proximity to individuals under the age of 18 must, prior to registering for any class, meet with the Vice President of Student Services to discuss all applicable limitations. The College reserves the right to remove from any class any such person who fails to meet with the Vice President of Student Services prior to registering for class. Persons covered by this regulation must meet with the Vice President of Student Services once per semester prior to registering for classes.

## **Drug and Alcohol Abuse**

Victoria College is committed to maintaining a safe, healthy, and lawful educational environment for all students. Studies have shown that substance abuse increases the potential for accidents, absenteeism, tardiness, unsatisfactory performance, inefficiency, poor morale, and damage to the College's reputation. It is our intent to provide a better place to learn through upgrading the mental and physical health of the total College community.

An "illegal drug" is any drug or controlled substance which is (1) not legally obtainable or (2) is legally obtainable but was not legally obtained. The term "illegal drug" includes all illegal drugs, dangerous drugs, and controlled substances defined and listed in Chapter 481 of the Texas Health and Safety Code (Texas Controlled Substances Act). The College prohibits the unlawful manufacture, sale, distribution, dispensation, possession, use, or consumption of controlled substances, inhalants, and/or alcohol in the workplace or educational environment. An individual need not be legally intoxicated to be considered "under the influence" of a controlled substance or alcohol.

This practice applies to all students of Victoria College, as well as College visitors, contractors, and all other persons

occupying space in and around office buildings, facilities, or grounds over which it has custody and control, including but not limited to rentals and leasing of College facilities.

Victoria College recognizes that alcoholism and drug dependency are illnesses and will provide information to any student seeking assistance when behavioral problems, which appear to be the result of drug or alcohol abuse, begin to affect academic performance. Students may be referred to Advising & Counseling Services for information regarding drugs/alcohol or to local community professionals and service agencies. The student will be responsible for any cost incurred for professional services. Information or medical records provided to the College by a student concerning a personal diagnosis or treatment will be kept strictly confidential.

## **Reporting Convictions of Drug Violations**

As a condition of student enrollment with Victoria College, or as a condition of receiving or continuing to receive a federal grant or any other form of financial assistance, each person affected shall abide by the reporting requirements and prohibitions set forth below by the Drug Free Workplace Act.

As a condition of student enrollment, the College is required to take appropriate disciplinary action, up to and including termination and/or expulsion, against the student within 30 days of receiving notice of conviction for a criminal drug statute violation occurring in the educational environment.

## **Notification**

All students shall be given a copy, or provided access to a web version, of the College regulation regarding drugs and alcohol.

## Emergency Procedures

These safety and security procedures have been established in an attempt to protect lives and property during times of emergencies. These regulations and procedures are to be followed in the event of an emergency.

Potential emergency situations include:

- fire
- bomb threat
- armed individual on campus
- severe weather alert
- injury or illness

All College students are vital to the success of an emergency plan. The regulations and procedures have been distributed to all students in an effort to stress the importance of campus-wide participation in following the steps involved in any given emergency.

The Department of Police & Campus Safety is responsible for providing security for all buildings on the Victoria College campus, to patrol parking areas, and to provide assistance to anyone on campus in need of help. Although police and security officers will strive to assist, students must remember that they have the primary responsibility for their own safety and security. Victoria College students are advised to call 911 in the event of a major emergency. This will bring campus police, EMS, fire department officials, and local police as needed. Local police provide support for Victoria College Police & Campus Safety personnel. The caller should specify the nature of the emergency, the location, and other information that may be applicable.

The caller should then notify Police & Campus Safety of the situation by calling (361) 220-1391, as well as one of the Vice Presidents.

The decision to close the campus will be communicated to students within minutes via a number of methods, including email, text messages, and recorded calls to home, office, and cell phones. In order to receive campus alerts, it is important to update all contact information in the Pirate Portal.

Please visit [www.VictoriaCollege.edu/](http://www.VictoriaCollege.edu/) Emergencies to learn how to update contact information.

### Severe Weather

An emergency decision to dismiss classes or close the campus will be made by the President when weather or other conditions pose a potentially serious threat to the health or safety of the College's students and employees. The President will make the decision after consulting with appropriate College personnel and representatives of public health or safety agencies. In most situations, the College will close if Victoria Independent School District and the University of Houston-Victoria close.

The decision to close the campus means that all scheduled classes and activities (both day and night) are cancelled.

### Fire

In the event of a fire, the following steps should be taken:

- Notify the fire department by dialing 911 or, if using a campus phone, dial 9-911.
- Notify Police & Campus Safety, the President, or one of the Vice Presidents.
- Use the fire alarm in the room, if available.
- Be available to advise the fire department of the type and location of the fire.
- Follow the exit signs posted in each classroom for best possible routes for leaving the building.

### Bomb Threat

In the event that a bomb threat is received, the College will be evacuated immediately, using the best possible routes for exiting the buildings. Students should take all personal belongings, such as coats and backpacks.

- If a student witnesses an accident, they should contact a College employee immediately who, in turn, will contact Police & Campus Safety or one of the Vice Presidents to assist in implementing the appropriate procedures.
- Students are asked not to provide transportation for injured or ill persons. However, if students choose to do so, they do so at their own risk and liability.
- Contact Student Services to make arrangements for a family member to be notified to transport injured or ill students for medical attention.
- Students should not hesitate to call EMS in the event of a serious illness or accident.

## **Financial Delinquency**

### **Student Responsibility**

The College expects students to be financially responsible and not be delinquent in financial obligations to the College. A student who passes a worthless check, to include electronic transactions, to the College will be notified and given an opportunity to resolve the matter. If the obligation is not met by the date stipulated in the notification letter, the student will be withdrawn from classes and the check will be turned over to the District Attorney's office. Such violations will be subject to investigation by the Vice President of Student Services and subject to sanctions. In addition, the student may lose the privilege of paying by check for any College expense.

A student who fails to make installment payments by the due dates specified on the installment contract will be assigned a \$25.00 late fee for each missed payment date. A delinquent account may be referred to a collection agency, in which event the student will be responsible for attorney's fees, court costs, and any other associated fees. A hold will be placed on the records of any student who is delinquent in his/her financial obligations to the College. Future credit and noncredit registration and official transcript requests will be denied until all obligations are met.

### Appeals of Vehicle Violations

Vehicle violation appeals may be made by completing an appeal form within 30 days of the parking violation. No appeal will be considered until the ticket is paid. After 30 days, an appeal will not be accepted. Appeal forms are located in the Student Life Office. An appeal can also be completed and submitted electronically at: [www.VictoriaCollege.edu/ParkingTickets](http://www.VictoriaCollege.edu/ParkingTickets).

A Vehicle Violation Appeals Committee will review the appeal and determine the outcome. If the violation is overturned by the Appeals Committee, the fine payment will be refunded to the student.

### Student Notification of Vehicle Regulations

Students are notified in writing of vehicle regulations at the time of registration and are responsible for adhering to these regulations. Failure to have knowledge of the regulations will not be considered a valid appeal for a vehicle violation.

Excessive vehicle violations, regardless of paid status, will result in disciplinary action under the authority of the College Discipline System.

## **Towing of Vehicles**

Victoria College Police & Campus Safety is authorized to remove or impound motor vehicles from College property at the owner's expense under the following circumstances:

- Vehicles parked illegally in fire lanes, handicapped, or restricted parking spaces, on the grass or median, or any area in which the vehicle may impede entrance to or exit from any building, grounds, or roadway by any pedestrian or authorized vehicle.
- Unregistered, uninsured, or abandoned vehicles.
- For safety reasons.
- Vehicles which have been issued multiple parking citations.

Vehicles will be towed and impounded off-campus by a local towing company. The company that tows or impounds the vehicle will be determined based on the rotating wrecker list maintained by the local law enforcement agency. Impound fees and storage fees will be determined by the policy of the individual towing company.

**The responsibility for finding a legal parking space rests with the motor vehicle operator. Lack of space is not considered a valid excuse for violation of parking regulations.**
