

Victoria College

Advanced EMT (AEMT)

Admissions Packet

2023

Introduction

Thank you for your interest and potential application to the Victoria College Paramedic Program. If you are ready to progress in your career in Emergency Medical Services (EMS), then the Paramedic Program is your answer. As a Paramedic, you will be the first component of the Emergency Medical System, and provide rapid in-field treatment and transport to higher medical providers. You will work in conjunction with EMTs, nurses, physicians, and other members of the health care team. Career options are available in urban and rural settings, primarily in conjunction with fire departments, private ambulances, or other rescue services.

The Paramedic course is an approved Department of State Health Service (DSHS) training program and after completion, the student is then eligible to seek DSHS certification after taking and passing the National Registry of EMT examination.

Day Academy

Victoria College offers the AEMT Coursework as a Prerequisite for AEMT beginning Jan. 21-May 3, 2022 (Spring) or May 16-Aug 2, 2022 (Summer). This Academy is 3-4 months long and classes are from 0900-1700 on a three-day shift schedule.

Hybrid Course

You must have a reliable computer and internet as much of the lectures and text resources are online.

Next Available Academy

Spring 2023 or Summer 2023

Deadline: Jan. 7, 2023 for Spring Academy
May 2, 2023 for Summer Academy

If you are interested in becoming an AEMT or would like more information concerning the Paramedic Program, please contact us.

Introduction

The following general position description for the EMR, EMT, AEMT and Paramedic is provided as a guide for advising those interested in understanding the qualifications, competencies and tasks required for emergency medical services certification. It is the ultimate responsibility of an employer to define specific job descriptions within each Emergency Medical Services (EMS) entity.

Qualifications

To qualify for EMS certification or licensure an individual must successfully complete a Texas Department of State Health Services approved course and achieve competency in each of the psychomotor skills. In addition, the individual must achieve a passing score on the state written certification or licensure examination.

AEMT applicants must have current Texas or National Registry EMT certification.

EMS personnel must be at least 18 years of age. Generally, the knowledge and skills required show the need for a high school education or equivalent. EMS personnel must have the ability to communicate verbally via telephone and radio equipment; ability to lift, carry and balance up to 125 pounds (250 pounds with assistance); ability to interpret written, oral and diagnostic form instructions; ability to use good judgment and remain calm in high-stress situations; ability to work effectively in an environment with loud noises and flashing lights; ability to function efficiently throughout an entire work shift; ability to calculate weight and volume ratios and read small print, both under life threatening time constraints; ability to read and understand English language manuals and road maps; ability to accurately discern street signs and address numbers; ability to interview patient, family members and bystanders; ability to document, in writing, all relevant information in prescribed format in light of legal ramifications of such; ability to converse in English with coworkers and hospital staff as to status of patient. EMS personnel should possess good manual dexterity, with ability to perform all tasks related to highest quality patient care. Ability to bend, stoop and crawl on uneven terrain and ability to withstand varied environmental conditions such as extreme heat, cold and moisture is vital. The ability to work in low light, confined spaces and other dangerous environments is required.

COMPETENCY AREAS

The EMS Program goal is to prepare competent entry-level Emergency Medical Technician – Paramedics in the cognitive (knowledge), psychomotor (skills), and affective (behavior), learning domains. The Paramedic must demonstrate competency in handling emergencies utilizing all Basic and Advanced Life Support equipment and skills in accordance with all behavioral objectives in the DOT/EMT Basic curriculum. The course shall include at least 1020 clock hours of classroom, laboratory, clinical and field instruction which shall include supervised experiences in the emergency department and with a licensed EMS provider as well as other as judged appropriate by the Program Medical Director (Respiratory Care, ICU, NICU, Pediatrics, Labor and Delivery, Surgery, Cath Lab). In addition, the information contained in the FEMA document entitled “Recognizing and Identifying Hazardous Material” shall be part of the course curriculum.

Academic Qualifications

You can take the TSI 2.0 ASSESSEMENT TEST at Victoria College. The test will be administered in the CEC building. Registration for the test can be done in person in Payments located in the Student Services Building. If you have taken any assessment other than the TSI, then you must meet with advising for qualification.

Frequently Asked Questions

How many students are accepted into the program?

The number of students in the program is limited to 16. Applicants will be accepted on a first come, first serve basis. The application process can take up to 2-3 weeks. After that date, any opening will be filled in order of completed application on a first come, first serve basis. The first 16 applicants who have successfully completed and returned all documentation will be accepted into the program.

What days and time will I be in class, and how much of the academy can I miss?

You are required attend 85% of all classroom instruction and 100% of all clinical training. Failure to meet this standard will result in termination from the academy.

What would cause me to be terminated from the AEMT Program?

Typically, poor attendance and poor academics account for a large part of class attrition. However, violations of a stringent code of conduct can result in termination. As a Paramedic, you will be held to a higher ethical and professional standard than the average citizen and this is reinforced in our program.

Will I need to have a Criminal Background check conducted?

Yes, prior to registering for the Paramedic program, students who have been conditionally accepted must complete a criminal background check and drug test. Students are responsible for completing the background application process, paying all fees and ensuring that a copy of the results is submitted to the EMS Coordinator.

Clinical facilities determine what constitutes an unacceptable background check. The student is responsible for working with the background check company to clear up any reporting discrepancies. If there is a criminal history that cannot be cleared up prior to the start of clinical, the student needs to apply to his/her respective professional board for licensure clearance. Student's cannot begin or continue their studies until the background check process is satisfactorily completed.

Victoria College is not able to, or responsible for, advising a student with criminal history on whether they are eligible for certification or licensure. All questions regarding eligibility should be directed to both the Texas Department of State Health Services and the National Registry of EMTs.

Is Financial Aid available?

Financial Aid is available for students enrolling at Victoria College. Assistance is available in the form of grants, loans, student employment, and scholarships. All students who feel that they need financial assistance are strongly encouraged to visit the Financial Aid Office to learn about the various sources of funds and to determine their eligibility.

Application Process and Documentation Requirements

All students applying for the Paramedic are required to complete and submit an application packet **prior** to being accepted into the program. If you do not complete all of the required paperwork and meet all of the entrance requirements, you will not be accepted into the program.

In order to be considered an eligible applicant, it is the responsibility of the applicant to ensure that all necessary documentation as stated below is in the EMS office **before the application deadline.**

ATTENTION: Persons applying for initial Texas EMS certification/licensure with a criminal conviction, deferred adjudication community supervision or deferred disposition:

A person shall be disqualified from eligibility to acquire an EMS certification, or a person's initial or renewal application for EMS certification or paramedic licensure shall be denied, or a person's EMS certification or paramedic license, whether active or inactive, shall be revoked if the petitioner, applicant, certificant, or licensed paramedic is convicted of or place on deferred adjudication community supervision or deferred disposition for an offense committed on or after September 1, 2009 listed in Code of Criminal Procedure, Article 42.12, Sections g(a)(1)(A) through (H) as follows:

(1) murder;

(2) capital murder;

(3) indecency with a child;

(4) aggravated kidnapping;

(5) aggravated sexual assault;

(6) aggravated robbery;

(7) substance abuse offenses, as described in Health and Safety Code, Chapter 481, for which punishment is increased under: (a) Health and Safety Code, §481.140, regarding the use of a child in the commission of an offense; or (b) Health and Safety Code, §481.134(c), (d), (e) or (f), regarding an offense committed within a drug free zone, if it is shown that the defendant has been previously convicted of an offense for which punishment was increased under one of those subsections;

(8) sexual assault;

(9) An offense, other than an offense committed on or after September 1, 2009, for which the person is subject to register as a sex offender under Code of Criminal Procedure, Chapter 62. Criminal offenses NOT LISTED ABOVE are subject to a department review which may lead to denial, suspension, or revocation.

Texas Department of State Health Services / EMS Trauma Systems / Personnel Initial Application Revised 01.2017

Texas Occupations Code, Chapter 53 Statutory Notification Requirement

I, _____, (print) have received, read, and understand the requirements for entry into Victoria College EMS Program. I understand one of the requirements is a clear criminal history background check. Should I have a criminal conviction or other information is found in violation of the current guidelines or state/local restrictions issued by the applicable licensing authority, I understand that I may be denied a license from the National Registry of EMTs and/or Texas Department of State Health Services. I also understand that, should I have a criminal history, I may not be hireable by an agency even though certified.

Having been provided this information, as required by Texas Occupations Code, Chapter, 53, notice regarding the consequences of a criminal conviction on eligibility for an occupational license, I wish to apply for entry into the Victoria College EMS Program. Any student or prospective student declared ineligible has the right to request a criminal history evaluation letter from the licensing agency.
