# **Admissions Packet**

Spring 2025

# Introduction

Thank you for your interest and potential application to the Victoria College EMT Academy. If you are ready to start a career in Emergency Medical Services (EMS), then the EMT Academy is your answer. As an EMT, you will be the first component of the emergency medical technician system, and provide rapid in-field treatment and transport to higher medical providers. You will work in conjunction with paramedics, nurses, physicians, and other members of the health care team. Career options are available in urban and rural settings, primarily in conjunction with fire departments, private ambulances, or other rescue services.

The EMT course is an approved Department of State Health Service (DSHS) training program and after completion, the student is then eligible to seek DSHS certification after taking and passing the National Registry of EMT cognitive examination.

## Spring Academy

Victoria College offers the EMT Academy during the spring semester during the day M/W 1800-2200. The Victoria Academy is 16 weeks long as a hybrid course with online lectures. **You must have a computer with reliable internet access.**

## Next Available Academy

Evening	Jan. 21 – May 7, 2025	Victoria

**DEADLINE to be accepted: Jan. 6, 2024 (or until full)**

If you are interested in becoming an EMT or would like more information concerning the EMT Academy please contact us.

# Functional Position Description

## Introduction

The following general position description for the EMR, EMT, AEMT and Paramedic is provided as a guide for advising those interested in understanding the qualifications, competencies and tasks required for emergency medical services certification. It is the ultimate responsibility of an employer to define specific job descriptions within each Emergency Medical Services (EMS) entity.

## Qualifications

To qualify for EMS certification or licensure an individual must successfully complete a Texas Department of Health approved course and achieve competency in each of the psychomotor skills. In addition, the individual must achieve a passing score on the National Registry computer adaptive certification or licensure examination.

EMS personnel must be at least 18 years of age. The knowledge and skills required show the need for a high school education or equivalent. EMS personnel must have the ability to communicate verbally via telephone and radio equipment; ability to lift, carry and balance up to 125 pounds (250 pounds with assistance); ability to interpret written, oral and diagnostic form instructions; ability to use good judgment and remain calm in high-stress situations; ability to work effectively in an environment with loud noises and flashing lights; ability to function efficiently throughout an entire work shift; ability to calculate weight and volume ratios and read small print, both under life threatening time constraints; ability to read and understand English language manuals and road maps; ability to accurately discern street signs and address numbers; ability to interview patient, family members and bystanders; ability to document, in writing, all relevant information in prescribed format in light of legal ramifications of such; ability to converse in English with coworkers and hospital staff as to status of patient. EMS personnel should possess good manual dexterity, with ability to perform all tasks related to highest quality patient care. Ability to bend, stoop and crawl on uneven terrain and ability to withstand varied environmental conditions such as extreme heat, cold and moisture is vital. The ability to work in low light, confined spaces and other dangerous environments is required.

## COMPETENCY AREAS

The EMT must demonstrate competency in handling emergencies utilizing all Basic Life Support equipment and skills in accordance with all behavioral objectives in the DOT/EMT Basic curriculum. The course shall include at least 150 clock hours of classroom, laboratory, clinical and field instruction which shall include supervised experiences in the emergency department and with a licensed EMS provider and other settings as judged appropriate by the Program Director. In addition, the information contained in the FEMA document entitled "Recognizing and Identifying Hazardous Material" shall be part of the course curriculum.

# Application Process and Documentation Requirements

The EMS Program is a selective admissions program. You can only register for these classes in the Public Service office.

All students applying for the EMT Academy are required to complete and submit an application packet **prior** to being accepted into the program.

7. **Provide proof of current CPR Certification**

Included during the EMT course.

**8-11. Items 8-11 in Castlebranch will be completed in class on the first class week. (see p. 13)**

## Registration

Once you have met the entrance requirements and have submitted all required documentation, **you will receive an acceptance letter informing you that you have been accepted and registered in the EMT Academy.** The acceptance letter will inform you of the dates and times that you will be required to pay for the course at the payment center.

## Apply for Admissions

Visit [GoApplyTexas.org](https://GoApplyTexas.org) to start your application for admission to our 2-year community college.

### Create your profile.

1. Create your account or login with your account credentials.
2. Click Start/Edit Profile (be sure to have all high school and previous college transcripts with you to enter information).
3. Follow the directions to complete your profile.

### Once you have created your profile, you can start the application process.

1. Click Start Application.
2. Choose Two-year community/junior college.
3. Search for Victoria College.
4. Choose Two Year (Dual Credit is for students currently in high school only).
5. Select Paramedic certificate for the degree plan.
6. You will see confetti at the end letting you know you completed the application.

*If you have not attended Victoria College in two long (Fall/Spring) semesters or not submitted an application in the last year, you must re-apply for admission. Applications usually take 3 business days to process. During registration times, applications may take up to 5 business days to process. Once your application has been processed, you will be able to retrieve your Pirate Portal username and password.*

Stuck on this step? Contact [Admissions & Records 361-485-6841](tel:361-485-6841)

**Current high school students only:** Contact [Pre-College Programs](#) for more information about Dual Credit and Early Admission.

## Submit transcripts, test scores, & immunization records.

To complete your enrollment, certain documents are required at different stages:

- **Bacterial Meningitis Immunization Records**: These are mandatory for students under the age of 22 who take classes on campus and must be submitted before you can register for classes.
- **Test Scores (View the VC Catalog for required state testing)**: Placement tests are required for some courses, but not all. If your chosen classes have specific testing prerequisites, you'll need to submit your test scores before enrolling in those courses. You can still register for other classes while completing any necessary testing.
- **Official High School Transcripts with graduation date OR GED Certificate** : While submitting your high school and required, you can proceed with registration even if these documents are not yet submitted. However, all transcripts must be submitted by the Official Reporting Date (ORD) to avoid a hold on your account, which could impact your ability to make schedule changes or receive financial aid.
- **Previous official college/university transcripts (if applicable)**: While submitting your college transcripts is crucial for verifying your academic history, you can proceed with registration even if these documents are not yet submitted. However, all transcripts must be submitted by the Official Reporting Date (ORD) to avoid a hold on your account, which could impact your ability to make schedule changes or receive financial aid.

### Loans

Victoria College participates in the William D. Ford Federal Direct Loan Program (DL). The program provides **low-interest loans** to eligible students enrolled at least half-time in an institution of higher education.

## Frequently Asked Questions

### **How many students are accepted into the program?**

The number of students in the program is limited to 18 for the evening academy and 12 for the day academy (summer only). Applicants will be accepted on a first come, first serve basis. The first applicants who have successfully completed and returned all documentation will be accepted into the program. **We are a selective admissions program. You cannot register for this class online.**

### **What days and time will I be in class, and how much of the academy can I miss?**

The fall EMT Academy typically runs Mondays and Wednesdays from 1800-2200. You are required attend 85% of all classroom instruction and 100% of all clinical training. Failure to meet this standard will result in termination from the academy. All labs are made up.

### **What would cause me to be terminated from the Basic EMT Academy?**

Typically, poor attendance and poor academics account for a large part of class attrition. However, violations of a stringent code of conduct can result in termination. As an Emergency Medical Technician, you will be held to a higher ethical and professional standard than the average citizen and this is reinforced in our program.

### **Will I need to have a Criminal Background check conducted?**

Yes, prior to registering for the EMT Academy, students who have been conditionally accepted must complete a criminal background check and drug test. Students are responsible for completing the background application process, paying all fees and checking Castle Branch.

Clinical facilities determine what constitutes an unacceptable background check. The student is responsible for working with the background check company to clear up any reporting discrepancies. If there is a criminal history that cannot be cleared up prior to the start of clinical, the student needs to apply to his/her respective professional board for licensure clearance. Student's cannot begin or continue their studies until the background check process is satisfactorily completed. Failure to meet all requirements will result in dismissal from the program and forfeiture of tuition and fees. **Our clinical affiliates require the flu vaccine.**

Victoria College is not able to, or responsible for, advising a student with criminal history on whether they are eligible for certification or licensure. All questions regarding eligibility should be directed to both the Texas Department of State Health Services and the National Registry of EMTs.

### **Is Financial Aid available?**

Financial Aid is available for students enrolling at Victoria College. Assistance is available in the form of grants, loans, student employment, and scholarships. All students who feel that they need financial assistance are strongly encouraged to visit the Financial Aid Office to learn about the various sources of funds and to determine their eligibility.

Texas Department of State Health Services / EMS Trauma Systems / Personnel Initial Application Revised 01.2017

## Texas Occupations Code, Chapter 53 Statutory Notification Requirement

I, \_\_\_\_\_, (print) have received, read, and understand the requirements for entry into Victoria College EMS Program. I understand one of the requirements is a clear criminal history background check. Should I have a criminal conviction or other information is found in violation of the current guidelines or state/local restrictions issued by the applicable licensing authority, I understand that I may be denied a license from the National Registry of EMTs and/or Texas Department of State Health Services. I also understand that, should I have a criminal history, I may not be hireable by an agency even though certified.

Having been provided this information, as required by Texas Occupations Code, Chapter, 53, notice regarding the consequences of a criminal conviction on eligibility for an occupational license, I wish to apply for entry into the Victoria College EMS Program. Any student or prospective student declared ineligible has the right to request a criminal history evaluation letter from the licensing agency.
