

## Top 10 Things to Know Before Becoming a Truck Driver

### 1. High Demand & Strong Earning Potential

*Truck driving is in high demand, with Texas jobs projected to grow by 22% by 2030. Median wages in some regions exceed \$22/hour, and experienced, safety-focused drivers are especially valued.*

### 2. CDL Opens the Door

*Earning a Commercial Driver's License (CDL) is a major milestone and the first step toward a rewarding career with long-term growth opportunities.*

### 3. Diverse Career Paths

*From long-haul to local routes and specialized freight, trucking offers a range of options to match your lifestyle and career goals.*

### 4. Flexible but Demanding Schedules

*Early roles may include nights, weekends, or extended travel, but gaining experience leads to greater flexibility and preferred assignments.*

### 5. Professionalism on the Road

*Drivers are the face of their companies; courtesy, communication, and a strong work ethic go a long way in building a successful career.*

### 6. Safety is the Top Priority

*Daily inspections, alert driving, and adherence to FMCSA regulations keep drivers and the public safe and help avoid costly violations.*

### 7. Technology Enhances the Job

*Tools like GPS, electronic logging devices (ELDs), and dispatch apps are standard in modern trucking and boost efficiency and compliance.*

### 8. Time Management is Key

*Planning routes, meeting delivery times, and following Hours of Service (HOS) rules require strong organizational skills and discipline.*

### 9. Health and Wellness Matter

*Staying active, eating well, and prioritizing sleep help drivers stay sharp and maintain long-term well-being in a demanding role.*

### 10. A Career with Responsibility

*Operating a commercial vehicle involves more than driving it's about safety, accountability, and making informed decisions every mile.*

## Marketable Skills for Resume Building

Hard Skills	Soft Skills
Vehicle inspection	Time management
Vehicle maintenance	Attention to detail
Route planning	Problem solving
Familiar with GPS systems and maps	Patience
Compliance record keeping	Stress management
Electronic logging devices	Communication
Cargo loading and unloading	Adaptable
Defensive driving	Self-motivated
Troubleshooting mechanical problems	Customer service
Familiar with DOT regulations	Physical stamina
Backing and maneuvering in tight spaces	Situational awareness
Tarping and securing loads	
Use of dispatch systems	

## Additional Certifications to Consider

- HAZMAT Endorsement: Required for transporting hazardous materials.
- Tanker Endorsement: For operating vehicles that transport liquid cargo.
- Double/Triple Trailer Endorsement: For pulling multiple trailers.
- Passenger Endorsement (*if applicable*): For transporting passengers.
- TWIC Card (*Transportation Worker Identification Credential*): Required for port access.
- First Aid/CPR Certification: Beneficial for emergency situations.
- Forklift Certification (*if loading/unloading is required*): Safe equipment operation.
