Federal Direct Student Loans Instructions

Step 1: You must complete the VC Financial Aid process to be considered for a Federal Direct Subsidized or Unsubsidized Stafford Loan. This includes, but is not limited to, the Free Application for Federal Student Aid (FAFSA) and the VC Federal Direct Student Loan Request Form.

Step 2: You must complete the Master Promissory Note on Studentaid.gov, Complete Aid Process. You will log onto Studentaid.gov using your Account information (FSA ID and password); if you don't already have an Account created, click on Create Account, and after completing this step you will use this Account Information to log in. Once logged in, you will select the "Complete Master Promissory Note", indicating Victoria College (003662) for the attending institution.

Step 3: If you have prior student loans you may acknowledge them on studentaid.gov. Effective for the 2022-2023 award year, all Direct Loan borrowers (subsidized, unsubsidized and parent PLUS) will be required to complete the Annual Student Loan Acknowledgment (ASLA) before receiving the first disbursement on the first Direct Loan that the student or parent borrows for each new award year.

Step 4: In addition to signing your Master Promissory Note (MPN), **you must complete Entrance Counseling.** Log in to studentaid.gov to complete for Subsidized and Unsubsidized loans.

NOTE: Starting with the 2020-2021 academic year all loan borrowers are required to complete entrance counseling every year.

Step 5: Once your loan is processed it will be on your Pirate Portal in offer status and **you must accept the award.**

After your Financial Aid file is complete and your loan application has been processed, an award notification will be sent to your Pirate Portal email listing your eligibility based on your expected enrollment status. The initial award may be based on full-time enrollment (12 or more hours) with **revisions** made after the 12th class day (4th class day for summer sessions) for actual hours of enrollment and other aid received ***which may cause a reduction in the actual amount received.***

NOTE: If you fail to complete the MPN, acknowledge prior loans or Entrance Counseling this will result in an award not being posted to your account to pay tuition, fees, bookstore charges or receiving a refund.
